

The County may enter into agreements with agents, banks, fiduciaries, insurers, or others for the purpose of enhancing the marketability of any security for the bonds and for the purpose of securing any tender option that may be granted to holders of the bonds, all as may be determined and presented in the aforesaid resolution, which may (but need not) state as security for the performance by the County of any monetary obligations under such agreements the same security given by the County to bondholders for the performance by the County of its monetary obligations under the bonds.

The bonds and their issue and sale shall be exempt from the provisions of Sections 9, 10, and 11 of Article 31 of the Annotated Code of Maryland as effective from time to time.

If the County determines in the resolution to offer any of the bonds by solicitation of competitive bids at public sale, the resolution shall fix the terms and conditions of the public sale and shall adopt a form of notice of sale, which shall outline the terms and conditions, and a form of advertisement, which shall be published in one or more daily or weekly newspapers having a general circulation in the County and which may also be published in one or more journals having a circulation primarily among banks and investment bankers. At least one publication of the advertisement shall be made not less than 10 days before the sale of the bonds.
