(b) Election to receive reduced survivor allowance.

(1) Instead of the survivor allowance payable to the designated beneficiary on attaining age 60, the designated beneficiary may elect to receive a reduced survivor allowance commencing at any time after the designated beneficiary attains age 50 if the designated beneficiary completes and submits an application for a reduced survivor allowance stating the date on which the designated beneficiary desires to receive the reduced survivor allowance.

(2) The reduced survivor allowance is an amount equal to one-half of the retirement allowance that would be payable to the retiree if the retiree were living and eligible to receive a retirement allowance, reduced by 0.5% for each month by which the designated beneficiary's age precedes the date the designated beneficiary attains age 60.

(c) Description of options.

(1) At retirement, the options that a member may elect include one of the optional forms of benefits described in this subsection.

(ii) If there is no surviving spouse, to the retiree's designated beneficiary for the designated beneficiary's life.
