CA00.11 Family Law Division

General Fund Appropriation, provided that upon implementation of family divisions in Baltimore City and Anne Arundel, Baltimore, Montgomery, and Prince George's Counties pursuant to Maryland Rule 16-204, the Chief Judge of the Court of Appeals shall respond to the following issues: (1) expansion of family divisions to other jurisdictions; (2) establishment of appropriate methods of performance and fiscal accountability; (3) increased uniformity with respect to the processing of cases; (4) uniformity in the types of services provided to litigants; (5) the recouping of costs from litigants for services; (6) disparity in employee titles and salaries among the family divisions; (7) formal performance evaluations of the divisions; (8) the supplanting of local funds; (9) the ability to operate a circuit court family division in Montgomery County when the juvenile court in Montgomery County is located in the District Court; and (10) the feasibility of placing the juvenile court in Montgomery County within the circuit court system. The Chief Judge of the Court of Appeals shall respond to these issues in a report to the budget committees by January 1, 1999
