NATURAL RESOURCES POLICE

It is the intent of the General Assembly that, in Fiscal Year 2000, the Department of Natural Resources decrease the amount of Waterway Improvement Fund revenues it spends on marine operations in the Natural Resources Police by at least \$750,000 per year until the amount spent for these purposes does not exceed the \$1,000,000 limit allowed by law. Further, the number of positions of law enforcement officers in the Natural Resources Police should not be affected by this decrease in revenues for marine operations funded through the Waterway Improvement Fund.
