

shall ensure that each enrollee receives early and periodic screening, diagnosis, and treatment services as provided in COMAR 10.09.67.20.

The Department of Health and Mental Hygiene shall develop an intensive case management program for children with HIV to ensure that the children receive all the necessary treatment and regularly take their medication. The department shall report to the committees by October 1, 1998 on the steps it has taken to develop the program.

When auto-assigning HealthChoice participants to a managed care organization, the Department of Health and Mental Hygiene shall assign all members of a family household to the same managed care organization.
