

transferred if the in-state placement still qualifies for federal Medical Assistance funding, with the exception of any general fund savings generated by returning the child to an in-state placement. To the extent that Medicaid funds for children placed out-of-state are included in the Mental Hygiene Administration, those funds, rather than Medical Care Programs Administration funds, should be transferred to the Subcabinet Fund when a child is returned from out-of-state.

Further, it is the intent of the General Assembly that the Medical Care Provider Reimbursements budget be expended in accordance with the budget detail presented to and approved by the General Assembly. Should the department wish to make a regulatory, policy, or procedural change which has an increase or decrease greater than \$300,000 on the program's budget, whether or not the increase or decrease is offset in whole or in part by other action, it shall inform the budget committees of the change and the committees shall have 45 days to review and consider it before it becomes effective.

Funds are appropriated in the Department of Human Resources budget to pay for services provided by this program. Authorization is hereby granted to use these receipts as special funds for operating expenses in this program.
