

~~(d) 3.3 percent to the Maryland Standardbred Race Fund;~~

~~(2) \$200,000 shall be used for Preakness purses;~~

~~(3) \$280,000 shall be used for various studies, including:~~

~~(a) determination of the market for horse racing and the ways and means of reaching that market, taking into consideration the findings of the National Thoroughbred Racing Association's research related to Laurel Park and horse racing throughout the nation and any strategies that the association might develop and the findings of the Rosecroft Raceway Marketing Association Report;~~

~~(b) the economic impact of horse racing and breeding in the State;~~

~~(c) public private partnership alternatives; and~~

~~(d) the economic impact of the 1997 legislation regarding horse racing, including the \$5,000,000 purse enhancement in fiscal 1998, the \$500,000 for the Maryland Million, the approximately \$1,000,000 of enhancements available from the reduction in the wagering tax, and the approximately \$1,800,000 shift in annualized personnel costs from the race tracks to the State;~~

~~(4) \$1,500,000 shall be used by the Department of Labor, Licensing, and Regulation to implement the recommendations from the marketing study noted above as item 3a, and shall be expended only upon receipt of the matching funds from the racing industry; and~~

~~(5) \$20,000 shall be used to market the~~
