REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 20A, § 2-202(12), (13), (15), and (17).

In the introductory language of this section, the former phrase "[w]ithout limiting or restricting the general powers conferred by this article" is deleted as surplusage.

In items (3) and (4)(i) of this section, the term "units" is substituted for the former references to "departments" and "agencies". The term "unit" is used as the general term for an entity in the State government because it is inclusive enough to include all those entities. See General Revisor's Note to article.
