

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 10, § 40(n).

In subsection (c)(2)(iii) of this section, the former reference to "the trial of" criminal proceedings is deleted as surplusage and to reflect the practice of deputy State's Attorneys and assistant State's Attorneys, who may also represent the State in criminal proceedings before and after trial.

In subsection (c)(2)(iv) of this section, the former reference to "acts" is deleted in light of the reference to "duties". Similarly, the former reference to "proper" is deleted in light of the reference to "necessary".

The Criminal Procedure Article Additions Review Committee notes, for consideration by the General Assembly, that subsection (d) of this section, which concerns an administrative assistant in the office who collects child support moneys, may be obsolete. The Office of the State's Attorney has not collected or distributed child support moneys for several years. The Division of Human Resources in the State Office of the Attorney General now performs this function.
