

Regulations, or any other provision related to a project-specific wetland delineation that may be necessary and appropriate;

(3) Within 4 months of the date of official completion of the Statewide Base Map project, the Department of Natural Resources shall:

(i) Distribute the appropriate portion of the Statewide Base Map to each local jurisdiction with an approved Critical Area Program; and

(ii) Notify the Critical Area Commission in writing regarding the distribution date applicable to each local jurisdiction;

(4) Following receipt of notice from the Department of Natural Resources and in accordance with the following conditions, the Commission shall notify each local jurisdiction in writing regarding the effective date of project completion applicable to that jurisdiction:

(i) A local jurisdiction shall formally adopt its amended Critical Area Map based on the Statewide Base Map within 24 months of its receipt from the Department of Natural Resources; and

(ii) However, where practicable, and after submission by the local jurisdiction of evidence satisfactory to the Commission that reasonable progress has been made toward formal adoption of its amended map, the Commission may authorize the local jurisdiction to proceed toward formal adoption of its amended map in coordination with its required 6-year comprehensive review process;

(5) In accordance with notification from the Commission, each local jurisdiction, with assistance from the Department of Natural Resources, the Department of the Environment, and the Critical Area Commission, as appropriate, shall review and refine its portion of the Statewide Base Map prepared by the Department of Natural Resources and proceed to:

(i) Verify the boundaries of the existing Critical Area designations;

(ii) Appropriately designate unclassified areas that were not within the original Critical Area boundary in accordance with the mapping standards set forth under COMAR 27.01.02.03 through 27.01.02.05 and as further determined through regulations adopted by the Commission; and

(iii) Identify areas where there appear to be inconsistencies between the Statewide Base Map and the local jurisdiction's Critical Area map;
