(2001 Replacement Volume and 2007 Supplement)

#### Preamble

WHEREAS, In recognition of the role transit plays in reducing highway congestion and greenhouse gas emissions, it is the intent of the General Assembly that land uses surrounding transit stations throughout the State be developed in a manner that is conducive to greater transit ridership and designed to promote transit, walking, and bicycling in addition to the automobile as means of transportation; and

WHEREAS, Households within one-half of a mile of transit service own fewer automobiles than households where transit is not available and people who live near transit are more likely to use transit to commute; and
