Mr. Perry delivers the following report:

The committee to whom was referred the petition of Sarah Baker, and others, beg leave to report, that they have examined the petition and documents accompanying the same, and find that James P. Boyd of the city of Baltimore, on the 26th day of September 1809, in consideration of the sum of ten dollars, executed a deed to Daniel Baker, of Allegany county, for lots number five and forty-one, in the town of Grant's-Ville, in Allegany county, which deed was duly acknowledged according to law; that the said Daniel Baker died intestate, leaving the petitioner, Sarah Baker, his widow, and John Baker, Daniel Baker, Henry Baker, Sarah Baker, Reter Baker, Priscilla Baker and William Baker, his children, and heirs at law. Your committee further beg leave to state, that they have reason to believe the said deed was not recorded in consequence of the ignorance of the said Daniel Baker, and not from any fraudulent view. The existing laws afford to the petitioners, through the medium of our courts of equity, the relief they pray for, but from the small value of the property, the expense of a suit in equity, would as your committee believe, exceed the value of it, and as the petitioners are poor we do not consider it would be deviating from correct legislation, but an act of justice, to grant to the petitioners the relief they pray for. They therefore beg leave to report the following bill.
