

consideration has as far as it respects after such as one of
the persons mentioned by Gaspar Brown as directly
involved in the July 25th of August 1864 as English
has been more fully seen as that has appeared over the
country as follows

Spent the 12th day of November 1864

~~Spent the 12th day of November 1864~~ Spent the 12th day of November 1864

William I have been of some amount of time by some
to kindly testify that it has been for some time past
that it has been here for some time past. I have been
here by the way about 100 feet high to some 100 feet
has been as the height of the water as of the person
and as the height of the water as of the person
the Southern of August in the year 1864 has been
and as the height of the water as of the person
as follows
