Exeter May 17th 1830

Thomas Richardson Esq, Sir, The bearer hereof
Adam and Annie are two of the Niggers who
I should have entitled to their freedom, in the
office of Thomas R Smith Esq, before you by
the Deed of Manumission from Mr Blair
to his Heirs - I have known Adam
ever since I was a Boy and Annie since
her infancy - I purchased Annie of Mr
Blair and she lived with me all the time
of her servitude -
