the tree of first Boundary of Partners Choice or Whites Land as he supposed & did conclude it to be the tree because it Exactly answered to what Col^d. Jenckins had told him in Every respect as to the Situation Ground, & Distance from y^e Landing & that it was an old Marked tree then on four sides

The Second Evidence Examined was Donock Dennis Sen^r. in relation to y^e Bounds of Partners Choice & who being sworn on y^e Holy Evangelist says that about twenty five years past he riding in company with Col^d. Jenckins and formerly Surveyor of South^e Co^t. as they rode on y^e Co^t. road between Napiungo Bridge & y^e Head of Bocomohe river at a place an old Indian field called Aquintico old field he y^e said Col^d. Jenckins asked him y^e said Donock Dennis that if he knew where y^e Whites Land lay, Donock Dennis answered no, well says y^e said Col^d. Jenckins if I do not mistake one corner of y^e Whites Land is a small Distance now from us down there pointing to y^e right Hand of y^e Co^t. road towards Snow hills just far from y^e side of y^e old field called Aquintico old field but says y^e said Col^d. Jenckins when we get a little further along y^e road I can tell exactly whether I have told you right or not for says he I surveyed y^e Land of Whites or Partners Choice then y^e said Donock Dennis further declared y^e as they rode on y^e Co^t. road about a quarter of a mile or gre longer something more or less y^e said Col^d. Jenckins said againe to y^e said Donock now says he I know I have told you right in what I told you before for said he y^e said Jenckins, hereabouts one of y^e Lines of Whites Land crosses the road And further y^e said Donock declares that as they the said Jenckins & he rode on y^e road as they came to a place called Matchcoopers or Matchcoopers old field now called y^e said Jenckins told the said Donock y^e there at that place another of Whites Lines crossed the Co^t. road then they were in that y^e said Main Body of y^e Whites Land or Partners Choice lay Between the County road & the river he also further understood by Col^d. Jenckins y^e y^e first & last y^e places showed him was the South west & Northeast Boundaries of y^e said Land called Partners Choice &

The first Evidence Examined in relation to y^e Bounds of Duram house Land was Capt^t. Nathl. Hopkins being sworn on y^e Holy Evangelist says y^e about twenty two years agoe Matthew Dearbrough who possessed part of y^e Land called Duram house showed him a small gum tree Marked on four sides & told him y^e gum tree was y^e North Boundary of Duram house Land & y^e there was a line of Marked trees from thence to Selby's Bay which gum tree & y^e said Hopkins & showed us y^e subscribers & do here insert that y^e Gum Standelle by a swamp side a small Distance to y^e Northwest of y^e Co^t. road opposite to y^e y^e said Con^t. field &

The Second Evidence Examined in relation to y^e Bounds of Duram House Land was y^e y^e Bishop Sen^r. being sworn on y^e Holy Evangelist declares as followeth, who carried us to a large Boyles tree near unto which formerly stood a large Cedar tree which Cedar hath been cutt down & y^e standing there of almost destroyed by fire to which place he declared that his father y^e y^e Bishop de^d. told him y^e line of Duram House Land went close by that Cedar tree when standing & y^e said y^e Bishop further declared on his Oath & that Tho^s. Selby y^e first taken up of y^e ~~land~~
