

When he presented the list of Comptrollers in 1829, it was found an empty treasury and much confusion prevailed in its affairs.

It is a satisfaction that Federal Comptroller, the office of Comptroller, is superior with the treasury overflowing in the same year of the terms and the affairs of this office, is no whole part of the same, much improved.

If you desire to see a more complete view of the office, your object is answered.

B. S. M. A. P. M.

Comptroller
