

March Court - - - - 1733 - - - - 146

The County afo to this Impanned being called came to wit Barker Selby George Tule Littleton Town-  
send Robert Mitchell Joshua Sturges George Newton William Mills Thomas Ley, Wm. Holme and  
John Fleming Day Scott and Wm. Gray Jurors who to say the truth of the premises being duly  
elected tried and sworn upon their Oath did say that the afo John White doth owe to the afo  
Isaac Beauchamp fifty shillings Current money of Maryland and for his Costs & Charges to one  
pound of tobacco --- Whereupon the afo John prays the Court here that Judgment upon the  
Verdict afo may not be rendered for that it appears ---

i. By the Record and process afo that there was no such issue depending between the afo Isaac  
and the afo John as the Jurors afo did undertake to try

2dly. That if any such issue was depending it was ~~an immaterial cause~~ One the Decla-  
ration being grounded on a personal Act of Assembly and that Act Declared upon in case

3dly. That upon that Act of Assembly the Jurors Under took to strike the penalty (if any there  
was suffered) when it was particularly directed by the Law - and

Lastly. That the Declaration afo is abundantly insufficient in Law for which Reasons & Others  
the same John as before prays that Judgment upon the Verdict afo may not be rendered

Whereupon all and singular the premises by the Justices here being seen heard and fully understood  
and mature deliberation whereupon had it seemeth to the Justices here that the plea afo of the afo  
John and the issue therupon joined is immaterial to the declaration of the afo Isaac by reason  
whereof it is said by the Justices here to the afo John that he further answer to the said Isaac to his  
declaration afo at his perile - Hereupon the said John saith under protestation that the decla-  
ration afo is insufficient in Law that the afo Isaac his action afo against him to have or maintain  
ought not because he saith that he for the most part guilty of the premises in the declaration afo  
above mentioned and whereof he puts him self upon the Country - and the afo ~~part~~ in like manner

Thereupon it is again commanded the Sheriff of Somerset County that immediately he shoul-
