

Heard the Markt pine or Spire Stump before mentioned Reported and taken to be the first
 bounder of the Land called Deep afores. and this Deponant further saith that at y^e
 time the above pine was proved as above Express the first Course from the said Spire or
 Spire Stump was run according to the p^{at}ent thereof by order of a jury then called there
 for that purpose the first Course as well as the Deponant Remembers was South East
 One hundred and fifty poles and Col^d. William Whittington then Surveyor after the
 Number of poles was out on the first Line of would not be run by the jury any further
 for when the jury proposed to take a little time to consider what Easterly Course the Surveyor
 should run next to the Surveyor of. to what Col^d William Whittington told them that since they
 had found him one Course he would find the rest himself and run as he thought fitt himself
 or words to that purpose and this Deponant further saith the jury did not order running
 any Course but the first South East Course & that there happened some Angry words
 between Nathaniel Horsley forman of the jury afores. and Samuel Worthington and Col^d
 Will: Whittington or both to the best of this Deponants Remembrance And this Deponant
 further saith that he has heard it often said that Edward Wheeler who first bought the
 Land called Manloves Discovery of Tho: Manloves did afterwards let Samuel Worthington
 have the said Land and W^m: Worthington Esq^r. became paymaster to Tho: Manloves
 further this Deponant saith Not _____ Matthew Dorman _____

 June Anno 1734 _____ { James Strawbridge
 Tho: Browne

Abraham Heath Aged forty Nine Year or there abouts Depoeth on the
 Holy Evangelist of Almighty God that he wa^s presents when the Spire or Spire Stump
 Standing in y^e forks of the Branches of the head of Monashin River a little above the bridge
 where a Cedar post is now fixed in the Root thereof by Consent of Henry Dorman Esq^r. &
 John Smith was proved by White John Brown and William Heath the Brother of this Deponant
 and severals others Evidences to be the first Bounder of a Tract of Land called Deep p^{at}ented by
 John Shigway and further this Deponant saith he saw the Spire afores. a Marked Tree of four
 Sides and that the said Tree was always Deened and Taken to be the first Bounder of the Land afores.
 called Deep this Deponant further saith that he has often seen and heard his Mother Urly Heath
 Claim a Right to the Plantation called Manloves Discovery (where John Mulrain lived a
 Tenant thereon Under Samuel Worthington) in Right of the Children to whom the Land called
 Deep was Bequeathed by John Shigway Will and that this Deponant has seen his Mother
 Urly Heath afores. when the afores. Tenant lived on Manloves Discovery Under Samuel
 Worthington call up Hog many a time and pull down the Orchard fence and Turn them in
 before the face of the Tenant afores. John Mulrain or his family and the said Deponant
 further saith that at the Time the above mentioned Spire was proved to be the first
 Bounder of Deep before a Jury called there for that purpose the first Course of Deep was
 Run from the Spire afores. According to p^{at}ent by Order of the Jury the Course and Distance
 there mentioned And the Surveyor to what Col^d Whittington after the Number of One hundred
 and fifty poles was Run out Run the Rest of the Lines as he thought fitt himself
 without Taking any further Directions from the Jury and further this Deponant saith Not
