

Deponent saith—It is, and that the facts therein stated are true.

*S. Teakle Wallis.*

To 1st interrogatory—Were you or not examined, as a witness, in the city of Baltimore, in the month of December last, before Daniel Myers, a justice of the peace for said city, by and on behalf of the parties contesting the election of delegates to the House of Delegates of Maryland, and cross-examined on behalf of the sitting members touching certain occurrences at the polls of the 10th ward of the city of Baltimore, on the 2nd day of November, 1859.

Deponent saith—He was.

To 2nd interrogatory—Look at the deposition printed in the volume here shown to you and entitled, "Contested election cases, in Baltimore, November 2d, 1859," commencing at page 164. Please state whether you have read the same, and if not, please read the same and tell the committee whether what you deposed to at the examination referred to in the first interrogatory is or is not fairly and truly set down therein as by you so deposed to, and whether the facts therein set down as having been deposed to by you, are or are not true as therein set down. If they are not true, or fairly set down, please state in what particulars they are not, and correct the said deposition, so that it shall truly represent your knowledge and the whole truth in the premises.

A. I have read it, and it is correctly set down, except that on page 164, in my answer to 2nd question, I am made to say, that I was present at the polls with short intervals of about one-fourth of an hour each; it should be with two short intervals, with that exception, and some unimportant typographical errors, my deposition is properly set down; the facts therein stated are true.

*Theodore Woodall.*

(Cross examined by counsel for Mr. Gaither.)

1st. interrogatory—In answer to one of the questions stated in the book, you speak of having twice snapped a pistol. Was the same loaded or not? What kind of pistol was it? With how many balls loaded? Of what weight were the balls? When and where did you procure said pistol? For what purpose and with what intent did you have it with you on the day of the election and why was it loaded?

Dep. answers—It was loaded. It was a Maynard Primer, one of the kind that John Brown had at Harper's Ferry. It was loaded with six balls one in each chamber. It was a small sized improved Colt ball. I procured it at Harper's Ferry
