To 1st interrogatory—Were you or not examined, as a witness, in the city of Baltimore, in the month of December last, before Daniel Myers a justice of the peace for said city, by and on behalf of the parties contesting the election of delegates to the House of Delegates of Maryland, and cross-examined on behalf of the sitting members touching certain occurrences at the polls of the 14th ward of the city of Baltimore, on the 2nd day of November, 1859.

Deponent answers—I was.

To 2nd interrogatory—Look at the deposition printed in the volume here shown to you and entitled “contested election cases, in Baltimore, November 2d, 1859,” commencing at page 234. Please state whether you have read the same, and if not, please read the same and tell the committee whether what you deposed to at the examination referred to in the first interrogatory is or is not fairly and truly set down therein as by you so deposed to, and whether the facts therein set down as having been deposed to by you, are or are not true as therein set down. If they are not true, or fairly set down, please state in what particulars they are not, and correct the said deposition, so that it shall truly represent your knowledge and the whole truth in the premises.

Deponent answers—I have read it and affirm the evidence in every particular.

1st interrogatory—State if you please whether you were a member of the Reform party or Reform committee in the city of Baltimore? If yea, state whether the object of that party so far as you know, extended beyond a reform in the municipal offices connected with the reformation of the city.

Deponent answers—I was a member of the Reform party. The Reform movement was confined to the election of City Officers and members of the Legislature. It was not designed to embrace State offices.

2nd interrogatory—State if you please for whom you voted on that occasion for Comptroller? and state whether you know of other Reformers who voted as you did, and if yea, state the names of such of them as you know?
