So the Senate rejected the amendment.

Mr. Yellott offered the following

AMENDMENT .

Section 15. *And be it enacted*, That the said Green Spring Avenue Company shall grade and put in good condition for travel all that portion of their road which may be located through the lands of Lloyd N. Rogers, within nine months from the time they commence the actual grading or construction of said road on any part of said Rogers' land, or the removal of any of said Rogers' fences in preparing for such grading or construction; and from and after the expiration of said period of nine months, it shall not be lawful for said company, or its agents, without the consent of said Rogers, his heirs or assigns, to enter upon any part of said Rogers' lands, beyond the limits of the said road as then located, for the purpose of constructing or repairing the same, or otherwise; *Provided*, however, that this limitation of nine months shall not apply, if the construction of the road through said
