

November Court 1736 285

abovesaid stump was one of their boundaries which was told him about twenty years ago or thereabouts to the best of his knowledge and further this deponent saith not the above mentioned stump stands on a point commonly known by the name of gun point on the westernmost side of muddy hole creek about thirty yards to the eastward of a marked pine which pine is the division between a piece of land formerly belonging to John Charles Ballard decd and Wm Right decd by which stump we have thought fit to place a cedar post marked with sixteen notches vizt on each quarter four notches and four notches unto which the deponent hath set his hand this 2^d day of Feb^r 1736

John^{his} Farreymore

The deposition of Alice Hickman Daughter of William ~~Right~~ ^{made} decd

she this deponent aged fifty four years or thereabouts being sworn on the Holy scriptures of almighty God saith about thirty eight years ago Thomas Shiles now decd let Col^l Whittington now decd to Run out a tract or parcell of land then belonging to his brother John Shiles now decd and this deponent declaireth that as she was at work in the fields with her father they saw a company of people coming upon which this deponents father and the said deponent went to meet them in order to hear their discourse for her father Entend to ~~know~~ ^{know} the above said Shiles and Col^l Whittington from coming on his land and the said deponent saith she heard Col^l Whittington tell her father not to be afraid for Shiles could not hurt him for that his line ended here and he believed if the main survey had been done they would hardly have come so far upon what they agreed to set up a certifiacall bound post or bounder she all way heard her father say was deemed to be Shiles bounder and so continued during her fathers life which post was place is to the southward of William Nelsons house near a small gull or creek called the creek alias Wrights creek on which place by direction of the deponent we have thought fit to set up a cedar post marked as the first and then this deponent saith that from this post they went a furlong the gull and marked again and from that place to a creek which they Liked and marked as she heard her father say and further this deponent saith that in testimony whereof she hath hereunto set her hand this 7th day of ~~ma~~ ^{ma} 1736

Alice Hickman

By virtue of the above Commission we do certify that we have met on the said lands and taken the several depositions in relation to the boundary of the said land called Wrights flowe and Wrights adventure in witness whereof we have set our hands and seals this 7th day of June 1736 Day Scott Jos: Waily
