

person who is mentioned by the name of Mary in a deed of Manumission dated the seventh day of September 1829 from William Medford to Louisa Wally and her two children Mary aged four years and Maria aged two years, and recorded in Liber I N B No. 1 page 107. I knew the said Louisa Wally for many years both before and after the Manumission above mentioned and up to her death and have known her two children Ann Louisa and Edie Maria from very early childhood and they have both acted as free persons ever since said Manumission, and I have no doubt the said Ann Louisa Comegys is the person who was intended to be Manumitted in the deed of Manumission above mentioned, said Louisa Wally the mother of said Ann Louisa Comegys was the person mentioned in said deed of Manumission and to the best of my knowledge and belief she never had a child named Mary said Ann Louisa Comegys is now about twenty six years of age from my best recollection, said Ann Louisa Comegys is of a light black complexion, is about five feet three and a fourth inches high and has a small scar on the left arm just above the elbow
