

er of any waggon or other carriage shall make use of any device in the construction of or in loading his waggon or other carriage or suffer any other so to do, with the view of deceiving the inspector and measurer in the quality and quantity thereof or therein, or shall after obtaining a certificate, suffer any part of his load to be disposed of or diminished, and then sell or offer to sell the remainder for the quantity mentioned in the certificate, or shall exchange his certificate for any other of a greater quantity or better quality, he shall forfeit and pay for every such offence ten dollars, to be forfeited and recovered as in the cases of fine hereinbefore provided; and should the inspector discover that device or fraud had been used for the purpose of deceiving either in quantity or quality, such discovery shall be sufficient cause for action.

Sec. 7, And be it enacted, That when any person bringing lime to the city for sale, or which may have been manufactured within the limits of said city, in any waggon, car, cart or other carriage, shall have delivered and discharged the same, and it shall appear to the buyer or receiver thereof, that some fraud or device had been used in the construction of said waggon, car, cart or other carriage, or in the loading or unloading thereof, not known or discovered by the inspector, he, she or they may complain thereof to the inspector, who is hereby authorised and required forthwith to examine into the cause of complaint, and should the inspector be satisfied that his first certificate was not correct, then and in that case he shall revoke and annul the first certificate and issue and deliver a new one instead thereof, expressing the just quantity and quality, add should it appear that fraud was intended and any device used, calculated to deceive the inspector, then and in that case, the owner, driver or agent of said lime, shall forfeit and pay for every such offence ten dollars, to be forfeited and recovered as in cases of fine hereinbefore provided.

Sec. 8, And be it enacted, That all lime that is clear of core, gravel, sand and dirt, shall be considered first quality, and so in proportion with all other lime less fine, according to the judgment of the inspector, until it is reduced to third quality or condemned as hereinbefore mentioned.

Sec. 9, And be it enacted, That it shall be the duty of said lime inspectors to inspect all the charcoal which may be brought into the city of Baltimore for sale or to be used therein, in any waggon, car, cart or other carriage, for each of which loads he shall give a certificate specifying the quantity contained therein, and for which certificate they shall be entitled to receive, as follows—for every load of fifty bushels and under; twenty-five cents—and for every load of more than fifty bushels, thirty-seven and a half cents.

Sec. 10. And be it enacted, That all such acts of the General Assembly as may conflict with the provisions of this act, be and the same are hereby repealed.
