

November Court 1741 211

that Leader post they were to Run on a straight Line to a marked white oak near the fork of Tipquin Creek and further this deponent saith that when he sold his Right of the said Lands his Intent was to be from the said Leader post to the white oak for that was what he claimed and no further the deponent being further questioned on behalf of M^r. Levin Dashiell defendant if the Leader post had ~~any~~ any notches or marks on it which he answers there was no notches or marks on it and being further asked whether the Leader post was set up ^{before} he alienated Shirman's part to him or no to which he answers the post was set up first and further saith that there was no division since the alienation was drawn between them and further this deponent saith that the said Shirman and he agreed that the said alienation should be agreeable to the said Leader post. —

William ^{his} Vaughan
marks

The Deposition of George Scott aged sixty two years or thereabouts being sworn on the holy Evangelist of almighty God deposeseth and saith that some years ago he was at a division between a certain William John and Thomas Shirman and the said Shirman and John agreed and fixed on a place for a division between them and accordingly then and there set up a Leader post as a division between them which is the same post mentioned in the deposition of W^m. John and being further asked by M^r. Levin Dashiell defendant whether the Leader post had any notches or marks on it to which he answers there was none as he Remembers and further saith not . . . Geo: Scott —

The Deposition of Joseph Boudin aged thirty six years or thereabouts being sworn on the holy Evangelist of almighty God deposeseth and saith that some years ago by Request of one Thomas Shirman he this deponent and a certain George Dashiell came to settle a division between him the said Shirman and a certain William John at which time was present a certain George Scott and one Joseph Waillo which as this deponent saith he understood was chosen by the said William John and then and there in their presence was set up a Leader post as a division between the said Shirman and said John and from that post they were to Run on a straight Line to a marked scrub ^{white} Oak some small distance from Tipquin Creek and further this deponent saith to the best of his knowledge it is the very post they set up and stands in the same place and is the post mentioned in the above depositions and this deponent being further asked whether there was any notches or marks on the said post to which he answers there was none as he Remembers

Joseph Boudin —
