The Petition of Thomas, Richard, William and John Marshall
of this County Humbly sheweth — That the main Road
going down by your Petitioners Plantations which of our Petitioners are oft
obliged to make use of with wheel Carriage or Riding Tobacco and are as
often very much troubled, and their business impeded by two steep Hills one
against Mr. Senda's old house, the other by Richard Marshall's Plantation,
and your Petitioners Humbly conceive that if the said Road was turned a
little distance from its present Course, where the ground affords a gradual
rising, it would not only relieve your Petitioners, but suit all travelling

Worships would appoint some Persons to view the said Road, and make their
Report, and your Petitioners will pray —
