

Baltimore 22^o Feb. 1784

Sir,

I have the honor to enclose a bill for the 5 days of Chaise You desired me to procure, amounting to \$63. 15. 0, which you will be so obliging as to pay to the Bearer Mr. Monroff.

The Cans are landed out of the Brig L'Esperance, and from the appearance of some of the Packages, I am apprehensive they may have sustained some Damage; on that account it may be necessary to appoint Jurors to survey them. I shall wait your directions on this head, & I have the honor to be, very respectfully
Sir,
