

A Bronze Bust Honors McKeldin

Sun

Annapolis, June 16 (Special)—
A bronze portrait bust of Gov-
ernor McKeldin was unveiled
here tonight **JUN 17 1955**

Although the unveiling came as
no surprise to Mr. McKeldin, who
had, during the last few months,
sat frequently for the preliminary
model, he expressed profound
gratification for the tribute and
for the portrait as a work of art.

The bust, executed by Reuben
R. Kramer, Maryland sculptor,
was commissioned as a gesture of
friendship by a committee of the
Governor's personal friends and
was presented by Joseph Allen,
people's counsel before the Pub-
lic Service Commission.
