LANDSCAPE PAINTING IN IMITATION OF OIL.—This new and beautiful system of Painting has been introduced into this country from England by Mrs. JENNINGS, who has just finished her instructions to a number of the most respectable young ladies in this city, whom (and their parents, whose names are adjoined,) she is at liberty to refer.
 This system unites the beauty and transparency of water colors with the strength and durability of oil, yet without the tediousness of the one and the offensiveness of the other.
 It is easy of attainment, and admits of such rapidity of execution that a Landscape of considerable variety may be painted by a beginner in two or three hours; thus saving by this method, instead of being a laborious and tiresome occupation, an agreeable recreation, and often developing talents and talents not known to be possessed.

NO THEOREMS ARE USED.
 Mrs. JENNINGS invites ladies and gentlemen to call at her Rooms, No. 39 FAYETTE STREET, between the Post Office and the Post Office, where they may see some specimens of this system of Painting, the novelty of which may repay the trouble of an examination. She also gives Lessons on the most approved system of DRAWING and PAINTING FLOWERS and BIRDS, KING WAX FLOWERS and PREPARING the BEST WAX, by a more simple and easy process than ever taught here before.

TEMPERANCE SONG.
 Drink friends, drink deep—the noon is nigh;
 Drink, and forget your care—
 The sultry summer suns are nigh—
 Drink, and your strength repair.
 The deer, that from the hunter fled,
 The warrior red with slaughter,
 The camel, 'neath the burning skies,
 Quaff deep the crystal water!

Our father, Sun, the example gives,
 Our mother, Earth, also;
 He, jocund, drinks above the clouds,
 She, blushing, drinks below.
 Pledge high, pledge long, the friends you love,
 To absent wife and daughter,
 Or blooming maid who rules your heart,
 Drink deep—but only water!

HONORS TO GENERAL SMITH.
CITY COUNCIL.

Proceedings of the First Branch, April 24.
 The Branch met pursuant to a summons from the Mayor. The following communication from the Mayor was received and read, and on motion of Mr. Barnard, a message was sent to the 2d Branch, proposing to refer the message to a joint select committee—the Second Branch assented thereto. Messrs. Wallis, Yates and Brown of the 1st, and Messrs. Jones, Hook and Reany, of the 2d Branch, were appointed said Committee.

MAYOR'S OFFICE, April 23d, 1839.
 To the members of the First and Second Branches of the City Council—
 Gentlemen:—The death of our venerated and highly esteemed fellow citizen, General Samuel Smith, which occurred on Monday afternoon, has induced me to invite you, on a brief notice, to assemble to-day, that I might submit to your consideration to decide in what manner the constituted authorities will unite with the other citizens of Baltimore in manifesting their estimation of the eminent qualities and services, and their respect for the memory of a man so highly distinguished both in peace and in war, from an early period in the revolutionary struggle of our country to the close of his long and useful life.

I understand that the funeral will take place on Thursday—the hour will depend upon the decision of the Councils. Yours respectfully,
 S. C. LEAKIN, Mayor.

Mr. Wallis, from the committee above mentioned, submitted the following report and resolutions, which were read and unanimously concurred in,—and sent to the Second Branch,—who returned the same endorsed, "unanimously concurred in."

Whereas, Gen'l. SAMUEL SMITH, a hero of the Revolution, and late Mayor of the city of Baltimore, has been "gathered unto his fathers," at an advanced age, after having filled the measure of his glory in the "tented field" of two wars, and attained a distinguished rank in the councils of his country. A man who in all the relations of a merchant, a public spirited citizen, and in social life was an ornament to society. Therefore,

Be it resolved unanimously by both branches of the City Council, That the Mayor and the members of both branches of the City Council, and the other officers of the corporation, as a mark of respect, attend his funeral on Thursday next, at 3 o'clock, from his late residence, Exchange Place.

Resolved, That the Mayor and the City Council wear the usual badge of mourning for thirty days, and that the Chambers of both Branches be shrouded in black for the remainder of the session, and that they assemble in the Chamber of the First Branch, on Thursday next, at half past two o'clock, P. M., for the purpose of joining in the funeral procession of the deceased.

Resolved, That the Rev. Clergy, the President of the United States, the heads of the Departments, Senators and Members of the House of Representatives, the members of the Society of Cincinnati, the Judges and officers of the several courts and members of the bar, the collector and officers of the customs, officers of the Army and Navy, the military of the city, the President and members of the Baltimore Fire Department, the Trustees and Regents of the Medical University, gentlemen of the Medical Faculty, Foreign Consuls, masters of vessels and seamen, citizens and strangers, be invited to attend the funeral, and take place in the procession in order assigned agreeably to this resolution.

Resolved, That persons having charge of churches to which bells are attached, be requested to have them tolled during the procession.

Resolved, That the owners or captains of vessels in the harbor, and the keepers of public buildings, be requested to have their colors hoisted half-mast from sunrise to sunset—and that the citizens generally are requested to close their stores and refrain from all business during the procession.

Resolved, That the Commanding Officer at Fort M'Henry be respectfully requested to have minute guns fired during the ceremonies.

Resolved, That the Committee of Arrangements be directed to provide suitable carriages for the President of the United States, Heads of Department, and the Governor of Maryland.

Resolved, That a person be appointed by the Joint Committee of Arrangements, to act as Marshal-in-Chief, with full power and authority to carry into effect the object of these resolutions, and that he be authorized to appoint as many Assistant Marshals as he may think necessary.

Resolved, That the Judges of the City Court be respectfully requested to issue their orders to the officers under their control, to report themselves to the Mayor for the purpose of preserving order for the procession.

Resolved, That a Joint Committee be appointed by the City Council to consist of three members from the First Branch, and two from the Second, to be constituted a Committee of Arrangements to conduct the procession of the deceased, and to give such aid to the Marshal-in-Chief, as he may require.

Resolved, That a copy of these proceedings be signed by the Mayor and Presidents of both Branches of the City Council, and the same be communicated to the family of the deceased, and be published in all the daily papers of the city.
