

August 12th 1917

Dear be unto you just a few
lines; wish to tell you something
of importance; want to tell you
the lady was murdered by her
own husband he near to give
up or rest him his conscience
will condemn him if you want
to know; know read the first
book of samuel chapter 22
it will see and see samuel could
tell all things god has give me
a spiritual gift through a long
spell of sickness or rest Mr Dodson
and when i see in the paper
to a murder i write a letter
my name excuse bad writing
as i only have the use of my right
finger and thumb and see his
head and see if there hasent his
locks of his hair pulled out
yours with respect

do not publish this and when
he safe then publish it
