### **Bedding Which May be Infected.**

The Surgeon General of the Marine Hospital Service is informed that junk dealers in Baltimore are purchasing large quantities of bed ticking used on ocean steamships by emigrants, most of which is procured from quarantine stations. This bedding is viewed by sanitary authorities as exceptionally dangerous. The matter will be brought to the attention of the different State authorities with a view to having the practice discontinued.

### **The Cabinet Meeting.**

The Cabinet meeting yesterday was attended by all the members except the Secretaries of State and the Navy. The principal topic of discussion was in regard to the application of the laws concerning pleuro-pneumonia and other laws relating to cattle to the cattle herded in the large public reservation in the northern part of Texas, popularly known as "No Man's Land." No conclusion was reached.

### **Mrs. Knott's Assailant Lynched.**

WESTMINSTER, Md., June 2.--A body of masked men broke into the jail at 1:30 o'clock this morning, and taking out Townsend Cook, colored, imprisoned for an outrage on Mrs. Knott, of Mt. Alrey, drove to the latter place and lynched him. Cook confessed his crime. No clue to the lynchers has been obtained.
