

Georgia State Industrial College,

R. R. WRIGHT, A. M., PRESIDENT.

DICTATED.

IN REPLY TO YOURS.....

College, Ga.,

Jan. 14th, 1899.

To the Secretary of State,
Annapolis, Md.

Dear Sir:-

Please do me the kindness to send me the latest message or utterance of your Governor with regard to lynching. We have the statements of a number of the Governors and desire to compare these statements, showing that the South has made efforts toward the suppression of lynching. Thanking you in advance,

I have the honor to be,

Very respectfully,

R. R. Wright
