My boss for over twenty years - the loss is painfull. I'll miss his phone calls and his infectious laughter, Not only was Harry a "gentleman" but he was a gentle man - his kindness, compassion and caring not only to me and my family, but to many others will always be remembered. Love and heartfelt sympathy -

Dear Nelson, Ellen and Laura,
I'm so sorry to hear of your dad's death. I know you can be proud of what a wonderful dad as well as citizen. I know he's with your mom and rest of our family. I will be thinking of you as you enter your stage of grief. Having just lost my dad last June, I know of the pain.

We have known Harry and his family since we were neighbors on Courtland Place in Bel Air over 40 years ago. So sorry Ellen for the loss of your "Bubba". He was a great dad and a great citizen of our community. We truly enjoyed telling stories and sharing memories with you both whenever we attended the Historical Society events. Our prayers are with you and your family.
