State Agency Series Description at the Maryland State Archives

MARYLAND INDEXES

(Marriage Licenses, BA, Male Index)

1777-1851

S1398

Card indexes to marriage licenses issued to persons in Baltimore County and Baltimore City. Identified as Indexes 5-15. Entries give names of bride and groom, date of license, license number, and minister's name. Cards provide all the information found on the licenses themselves. Index is divided into chronological sections and then arranged alphabetically by name of the groom. Provides references to BALTIMORE COUNTY COURT Marriage licenses series [MSA C376 and CM174].

For the year 1797, the license numbers 144 to 163, both inclusive, are repeated. Under the date of May 1, 1798, one of the books from which this index was compiled, states: "Stopped 1st May 1798 agreeable to Act of General Assembly, and went on a new mode this time."

In addition, the following marriage records are missing: 1778 - December (1month); 1779 - January, February & December (3 months); 1780 - January to October, inclusive (10 months); 1786 - November & December (2 months); 1787 - January to October, inclusive (10 months)

Totaling 26 months in 5 years.
