By last Saturday's Post came Letters from his  
Excellency General Shirley, dated Oswego the  
9th Instant, informing, that his Excellency was  
in good Health, and proposed to embark on his  
intended Expedition in a very few Days.  
Jamaica, Queen's-County, Long-Island, September  
24th, 1755.

This Day One Thousand and Fifteen Sheep,  
raised in about three Days in this County, were  
delivered at New-York Ferry, in order to be sent  
to Albany by Water, which were cheerfully given  
for the Use of the Army now near or at Crown-  
Point; 200 of which were shipped this Day, and  
the Whole will be on board Albany Vessels in a  
Day or two.

Since our People had been considerably generous  
to an Army, protecting the Lives and Estates of  
our frontier Inhabitants in and about Albany; they  
vainly imagined, that the Gentlemen Skippers from  
that City, would have gratefully transported the  
Sheep to Albany without demanding Freight; but  
found themselves surprizingly mistaken: Those  
unparalleled Frugalists, ever vigilant of private  
Interest, refused carrying any of them under 1/6 d.  
a Head, which Sum was accordingly agreed for;  
tho' proper Judges were of Opinion that 9 d.  
would be high Freight.

While the Husbands at Great-Neck in this  
County, were employed in getting the Sheep, the  
good Matrons in that Neighbourhood, in a few  
Hours, collected near 70 good large Cheeses, and  
sent them to New-York, to be forwarded with the  
Sheep to the Army.—What the Freight of the  
Cheeses will be to Albany, we cannot as yet tell.

NEW-YORK, October 6.  
Capt. Seymour, in the Ship Fame, arrived here  
since our last, in 8 Weeks from Cadiz, and in-  
forms, that when he was there, Six French Ships  
of the Line, one of 80 Guns, and Three Frigates,  
were at Anchor in that Port:—That upon the  
Receipt of some Dispatches, giving an Account  
of our having taken two French Ships in America;  
they immediately left Cadiz, being the second of  
August:—That two English 20 Gun Ships failed  
soon after them, in order to discover, it was sup-  
posed, which Way they were bound:—That the  
principal Merchants in Cadiz, were of Opinion,  
the Spaniards would not join in the present Con-  
test between the two Crowns of England and  
France:—and that it was the common Opinion,  
that the Powers of Europe would leave us to end  
our Disputes by ourselves; and that the French  
would not declare War.

Our last Accounts from Oswego, are between  
the 8th and 12th of September last, which say,  
That they talked then of setting out very soon,  
but whither, even some of the chief Officers knew  
not: That there had not been above two or  
three Days for near a Fortnight before the Date  
of these Accounts, in which Battoes could swim  
on the Lake, where the Surge rises almost as high  
as on the Beach of the Ocean.

Several Vessels arrived here Yesterday from  
New-England, deep loaded with Provisions for  
Albany; and others are hourly expected.

Last Saturday Evening, a New-England Sloop  
touch'd here, in her Way from Albany for Con-  
necticut, with some sick People from General  
Johnson's Army: They left the Camp about ten  
Days since, when our People, to the Number of  
between Five and Six Thousand, were employed,  
until the Arrival of some Waggon with Necessi-  
taries, in building a Fort at Lake George.

WILLIAMSBURG, September 26.  
By a Vessel from the West-Indies, arrived at  
Hampton, we are positively assured, that the  
Badger Sloop of War is taken by a 36 Gun  
French Ship, and carried into Guadaloup; and  
that a 64 Gun French Ship which escaped from  
Admiral Boscawen, is put into Martinico.

Saturday Se'night the Warehouses at Coan, in  
Northumberland County, in which were about  
80 Hogheads of Tobacco, were burnt down to  
the Ground.

October 3. Friday Se'night died the Reverend  
WILLIAM STITH, A. M. and President of Wil-  
liam and Mary College; a Gentleman of great  
Learning and Abilities, universally beloved by  
his Friends and Acquaintance, and whose Death  
is greatly lamented.

From Augusta we learn, that a Party of the  
Militia, under the Command of one Captain  
Dickinson, met with and attacked a Party of the  
Northern Indians, of whom one was killed and  
several wounded. Two Indian Boys, of the Ca-  
tawba Nation, whom the Northern Indians had  
taken Prisoners, were retaken by our People.  
Captain Dickinson had one Man killed.

PHILADELPHIA, October 9.  
Some Letters from London advise, that a War  
was thought unavoidable; and that Insurance  
from London to America had risen to Eight per  
Cent.

We hear from Virginia, that the two Women,  
supposed to be taken Prisoners, and carried off by  
the Indians, (as mentioned in this Paper, N<sup>o</sup>. 542)  
have been found near Green Briar River by a  
scouting Party of English, and brought in again.

ANNAPOLIS, October 16.  
We hear, that several small Companies of Vol-  
unteers, well equip'd, went from Prince George's  
County, last Week, to the Westward, at their  
own Expence, in order to assist our Friends in  
Frederick.

From the back Parts of Frederick County, we  
learn, that the People are constantly flocking in,  
in great Numbers, to the more thick-settled Parts  
of the County.
