

Annapolis, August 23, 1775.

**W**ANTED immediately, a number of hands who are acquainted in the different branches of the manufacture of fire arms—good wages and encouragement will be given to such as have been used to work in any branch, according to their proficiency and industry, either by the piece or time.—As good locksmiths, or other neat filers, will be soon handy in making several parts of gun-locks, to such also I will give good encouragement.—There are many servants about the country who would be very useful in the necessary business I am now engaging in, I should be glad to be informed of such, and wish to hire them; or purchase their times of service of their masters.

ISAAC HARRIS.

N. B. I want to hire a good file-cutler.
