

Sir,

Prince Georges County Sept^r 24th 1770

About two months ago Levin Witoxon a Lieut^t of the First Maryland Reg^t Inform'd me that the Council had given him liberty to procure an able Bodied Soldier to serve in his place and then Produced to me William Kingsbury whom he said Capt. John Addison would Pass and accordingly I gave a Receipt for him, Since which the said Kingsbury has been Rejected as an Ineffectual man by Capt. Joshua Beall Lieut. of this County, therefore have thought it my duty to give you this Information least the aforesaid Levin Witoxon should avail himself of the Receipt obtained from me in consequence of the Reception he used in assuring me that his recruit would Pass with Capt. Addison

I am With Respect

Your Excellency's Obedient Servant
