Most Gracious Sovereign,
W E your Majesty's most dutiful and loyal
Subjects, the Commons of Great Britain
in Parliament assembled, humbly beg Leave to re-
turn your Majesty our most hearty Thanks for your
Majesty's most gracious Speech from the Throne.

Permit us, Sir, with Hearts full of Gratitude,
to express our lively and due Sense of the Happi-
ness we enjoy under your Majesty's wise and just
Government, and our well grounded Confidence,
that your Majesty's Views are, and ever will be,
directed to no other End, than to secure and im-
prove the present flourishing Condition of your
Kingdoms. The Regard your Majesty is pleased
to testify for the Advancement of our Trade and
Manufactures, as it is a signal Instance of your
Majesty's constant and universal Attention to the
Welfare of your Subjects, demands our sincerest
Acknowledgements; and it cannot but be Matter
of the highest Satisfaction to us, that the Provi-
sions, made for that Purpose by this Parliament, in
Pursuance of your Majesty's most gracious Recom-
mendation, have produced the desired Effect.

We unfeignedly assure your Majesty, that we
will readily concur in all such Measures, as tend
to secure the inestimable Blessings of Peace to us,
by establishing more firmly the general Tranquility in
Europe. Affected with the deepest Concern, we
condole with your Majesty on the unfortunate E-
vent of the Death of the Prince of Orange; but,
at the same Time, beg Leave to express the great
Consolation we feel, from the strong Assurances
given to your Majesty, on this Occasion, by the
States General of the United Provinces, which
leave us no Room to Doubt of the Continuance of
that strict Union and Friendship, so essential to the
Interests of both Countries.

Your faithful Commons with the utmost Cheer-
fulness promise to grant to your Majesty such Sup-
plies, as may enable your Majesty to fulfil the
Engagements, and answer the several Services,
which shall be found necessary for the public Good.
We cannot sufficiently acknowledge your Majesty's
Wisdom and Goodness, in recommending to our
Consideration the Mischief and Dishonour, which
arise to this Nation from the audacious Crimes of
Robbery and Violence, so notorious of late to all
the World; and we humbly assure your Majesty,
that we will seriously proceed in revising and en-
forcing such Laws, as may contribute to suppress
those enormities, by discouraging Irreligion, Idle-
ness, Gaming, and Immorality, by promoting In-
dustry, and establishing good Order amongst your
Majesty's Subjects.

In the H— of C—, the following Address
was moved for by Lord Down, one of the Repre-
sentatives for the County of York, in an elegant
Speech, wherein he enlarged on the Glory of his
Majesty's Reign, the Happiness of the present
Times, the flourishing Condition of our Manufac-
tures, the Increase of our Commerce, and the Se-
curity of these Blessings by the wise and prudent
Measures taken for the Support of the System of
the Empire, &c. He was seconded by Sir W. B.
Pitt, and the Address would have passed New-
ten: but Sir J. H. C— objected to the Words in
a flourishing Condition, which he thought not prop-
er, as the ordinary Supplies in Time of Peace
could not be raised within the Year, without hav-
ing Recourse to the sinking Fund, and increasing
the national Debt instead of lessening it.

By a moderate Computation, no less than 13,000
Persons are now unemployed in the Silk Manufac-
ture of Spittle Fields, occasioned by the long
Mourning.
On the 15th inst, an Eruption of Mount Vesu-
vius began; on the 26th the whole Cavity ap-
peared in a Blaze; and next Day two Streams of
liquid Fire descended in Torrents towards the Sea.
The Virtuosi, by Observations lately made, calcu-
late the Duration of these Eruptions to a very
few Hours.
November 20. An Order passed the House of
C—ns that the Hon. Mr. Alexander Murray be
again committed close Prisoner to Newgate: Resol-
ved also, that he do receive the said Sentence at
the Bar of this House on his Knees; and Ordered,
That the Serjeant at Arms do take him into Cust-
ody for that Purpose.
—And a Complaint being made to the House of a
printed Pamphlet entitled, *The Case of the Honour-
able Alexander Murray, Esq; in an Appeal to the
People of G. B. more particularly to the Inhabitants
of the City and Liberties of Westminster*; the said
Pamphlet was brought up to the Table, and read;
when it was resolved, *nem. con.* "That the said
Pamphlet is an impudent, malicious, scandalous,
and seditious Libel, falsely and most injuriously re-
flecting upon, and aspersion the Proceedings of this
House, and tending to create Misapprehensions of
the same in the People, to the Dishonour of the
House, and in Violation of their Privileges." Where-
upon a Resolution pass'd to address his Ma-
jesty, to give Directions to the Attorney General to
prosecute the Author, Printers, and Publishers of
the said scandalous Libel; which was done accord-
ingly.

It is remarkable, that Mr. Murray, at the Close
of the last Session, set off light by the Authority of
the C—ns, as to go off without paying the Offi-
cers Fees.
February 19, 1752.

DR. CHARLES CARROLL having
made a Street Way, from the Head of Ni-
ckel's Dock, opposite to the Market House in
the City of Annapolis, from the End of Church
Street at the Water Side, through his Lots, to Duke
of Gloucester Street, for the reasonable Convenience
of others, as well as his own, by the Name of
GREEN-STREET;
This is to give Notice, that the said Carroll hath
several very convenient Lots, fronting on both
Sides of said Green Street, some fronting on that
and Church Street, or the Cove, and others front-
ing on Duke of Gloucester Street and said Green
Street, very conveniently situated for good Air and
Prospect, and Building or carrying on any Trade
or Business; which Lots he will sell, or lease at
very reasonable Rates, for Lives or any Term of
Years.
Any Persons inclinable to buy or lease, may ap-
ply to said Carroll, at his House in Annapolis, and
know further.
Gratis. J. C. Carroll.
