RAN away from the Subscriber,
living at Frederick Town, on Sassafras River,
Maryland, on the 17th Instant, the two following
Servant Men; viz.

James Monk, an Indented Servant, born in this
Country, about thirty Years of Age, middle sized,
of a swarthy Complexion, and pitted with the
Small Pox; he is a well set Fellow, much given
to Liquor, and when so, a great Boxer and Wrest-
ler; he is at all Times an abominable Liar and
Villain. Being a stout Seaman, he has been often
advanced to Officers Births, on board of good
Ships, by those who did not know his real Cha-
racter; but was, by his ill Behaviour, always in a
short Time discharged, if he did not before that
run away. I took him out of Goal under an In-
denture, and have advanced for him Thirty odd
Pounds; tho' he has been with me but since last
Fall.

Samuel Turner, born in England, about twenty-
one Years of Age, a little Body, and would sooner
be taken for a lusty Boy than a Man; he is at all
Times very waspish and quarrelsome, but when in
Liquor (which is as often as he can get it) so much
so, that he is generally whipp'd or kick'd by his
Companions.

They took with them a large deck'd Schooner
Boat, lately trimm'd and pay'd from light Water
Mark with Tar and red Paint; she is square tuck'd,
her Mainmast not so taut as her Foremast, a
Scuttle forward, and a large Hatchway abaft her
Mainmast, and a Pump rigg'd abaft that on the
Larboard Side: She has a large Rife for a Cabin,
and a sliding Door on her Roundhouse: Her Sails
are old, but her Rigging mostly new, and she has
a new Anchor and Cable: She is a wholesome
Boat, and reckon'd a prime Sailer. They have
on board some Pig Iron, which they always carry
for Ballast; also a Compass, Hand Lead, Glasses,
Colours, &c. and about 90 Bushels of Wheat,
with a Set of Bags, which they took from the
Place where they were to have their Load. They
have nothing remarkable in their Habits (which
are Seamen's), but that their Pea Jackets are of
fine Lead colour'd Kersey, with wrought Horn
Buttons, and lin'd with blue Pennistone.

Whoever takes up and delivers to the Subscriber,
as above, the said Servants, with the said Boat,
Tackle, and Wheat, or so much thereof as may
