THE Publishing all the LAWS

of this Province now in Force, in one compleat Body, being a Work agreed on by every one to be much wanted and very necessary, is now proposed to be done with all possible Care and Dispatch: In Case they should not be revised by the approaching General Assembly, the Printer hereof designs to send Proposals for Subscriptions into every County in the Province (except this County where he lives) to be lodged with the County Clerks; and if a sufficient Number of Subscribers can be found to defray the Expence, which is not in the least doubted, the Work will be gone about very quickly, and finished as soon as possible, with an accurate and correct TABLE prefix'd. As it is uncertain how many Sheets, in a large handsome Folio and good Letter, it will make, the exact Price cannot yet be ascertain'd; but the Subscribers shall have the Whole, neatly Bound and Letter'd on the Back, at Three Pence per Sheet; to pay Twenty Shillings in Part at the Time of subscribing, and the Remainder at the Delivery of the Book. If Thirty Subscribers in each County shall offer, it will be gone about in the Fall, and the Books ready to deliver to the Subscribers next Year. In this Work it is proposed to insert the Titles only of all such Laws as are Repealed and Obsolete, as well as some of those made on Special Occasions, such as some Parochial Laws of a private Nature, Prisoner's Acts of Relief, &c. and the Whole divided into Chapters and Sections: In doing which, the best Help and Advice will be had.
