July 27. By a Vessel from Jamaica, we have Advice, that they are in some Pain there for Co- racoa, as three Vessels expected from thence for some Months past, were not arrived, and a Report prevailed that five Spanish Men of War, with other Vessels, and a considerable Number of For- ces, were preparing to attack it from the Spanish Main.—The same Report is brought also by some Vessels from other Parts of the West-Indies. And as we have had no Vessels lately from Co- racoa, it is apprehended, that an Embargo, at least, is laid on all Vessels at that Island.

August 3. By Capt. Furlow, in forty Days from the Bay of Honduras, we have Advice, that the Spaniards have made a Settlement very near that Place, from whence they lately sent ten armed Craft to the Bay, and carried off all the Negroes belonging to the English, which had obliged most of the Heads of the Bay, to depart either to the Musketo Shore, or Jamaica. Capt. Furlow left but three English Vessels in the Bay; viz. the Captains Man, Jones, and Bowen, which were all of this Port. Capt. Shoals, who arrived here Yesterday, and Capt. M'Namara, bound for Ham- burgh, failed in Company with him from the Bay.

In Capt. Griffiths from Holland, but last from Newcastle on Tyne, there is come over seven German Clergymen, designed for the Back Settle- ments of this Province and Pennsylvania: As also a Number of Glas Men, to work in a Glas Ma- nufactory now erecting on the North River, in the County of Orange, in this Province.

By the Boston Papers it appears, that 509 white Persons, and 415 Blacks, have had the Small Pox in that Town, this Season, in the natural Way, of whom have died 452 Whites, and 62 Blacks; and that 1970 Whites, and 139 Blacks have been inoculated, of whom 24 Whites, and 7 Blacks have died; that only 23 Persons are now sick with it, and but 174 that are still liable to it: The Streets and Houses are cleaning and airing; and no more People will be suffered to be inoculated there at this Time.

July 30. Thursday last two Men quarrell'd here, when one of them gave the other a Blow on the Head, which kill'd him on the Spot.

August 6. Last Week one Peter Horn was kill'd on Chestnut Hill, by the Oversetting of a Waggon.

We hear from Springfield, in the Jerseys, that the House of William Dennis there, was broke open on the 29th of last Month, and sundry Things carried off.

Last Friday, early in the Morning, the Light- ning struck two Houses on Society Hill, and did them considerable Damage, but hurt no Person. It was very remarkable in both Houses, that the Lightning in its Passage from the Roof to the Ground, seem'd to go considerably out of a direct Course, for the sake of passing thro' Metal; such as Hinges, Sash Weights, Iron Rods, the Pendu- lum of a Clock, &c. and that where it had suffi- cient Metal to condu't it nothing was damag'd; but where it pass'd thro' Plastering or Wood-work, it rent and split them surprizingly.

On Saturday one Gideon Casey (from Rhode Island) was committed to the Jail of this City, for uttering Counterfeit Doubloons, knowing them to be such: As was also on Sunday Morgan Murphy, for robbing the Houses of Matthias Keen and James Elliot, near Frankfort.

Yesterday a melancholy Accident happen'd here, by the Floor of a Little House falling in; when a Woman and young Child were in it: The Child died soon after it was got out; and the Woman was very ill hurt, but is likely to recover.

Since our last a Child receiv'd a Kick from a Horse, which occasion'd it's Death.
