 Indigo,

Indigo, Cochineal, Peruvian Bark, and other rich Merchandise.—It is said there are hot Disputes between several Gentlemen at New London, about the keeping of the Treasure, 'til it is known how Things will turn out, and that some of the most eminent Lawyers here, have already been consulted in the Affair.—It is hinted, that there is Room to suspect, that the Ship's Company have been guilty of some unjustifiable Practices, of which (if true), we shall hear more in a short Time.

December 11. By Capt. Styles from Anguilla, we are informed, that several of the Negroes belonging to that Island, have taken Boats, and other Craft, and made their Escape to the French Part of the Island of St. Martin's, where they are protected; and notwithstanding their Owners have made Application to the French Governor, they have not received the least Redress.

December 25. We have an Account from the North Branch of Kariton; in New Jersey, of a barbarous and cruel Murder committed there on Wednesday the 13th Instant, on the Body of Mr. Jacob Vaneste, by his own Negro, in Conjunction with another of his Neighbours: It seems all the Provocation was Mr. Vaneste's taking a little of the Fellow's Tobacco; and that Evening having been on a Visit to Dr. Van Wagenen's, his Neighbour, the two Negroes Waylaid him, and knock'd him off his Horse; they then with an Axe split his Skull, and dragg'd him a little out of the Road: The Horse coming home soon after without his Master, gave some Alarm, and the next Day proper Search being made, he was found. His Negro was thereupon taken up, and brought before the Coroner's Inquest; and being made to touch his Master's Body, the Blood suddenly gush'd out of the dead Man's Nose and Ears, as it did likewise from the Negro's, who thereupon, being flung with Guilt, confessed the Crime, and was, together with his Accomplice, directly sent to Jail, in order to receive their just Demerits.

January 1. We hear from New Jersey, that the Negro Fellow who committed the Murder on the Body of Mr. Jacob Vaneste, his Master, was burnt at Millstone, on Wednesday last: He stood the Fire with the greatest Intrepidity, and said, they had taken the Root, but left the Branches.

January 15. We have Advice from New London, that the Court of Admiralty there, had adjudged 22,000 Pieces of Eight, as Salvage to the English Vessel that met with the Spanish Register Ship off Bermuda, and conducted her into that Port: The Spanish Vessel was condemned, as unfit to proceed to Sea; but the Authority of Connecticut have given the Liberty to the Spanish Commander to hire or purchase a Vessel to carry his Cargo to Cadiz, or elsewhere, as he pleases.

Saturday last, being the Birth Day of the Right Honourable Lord BALTIMORE, Proprietor of this Province, when his Lordship attained the Age of Twenty-one Years, was celebrated here with great Demonstrations of Joy. At Noon the Cannon were discharged; and in the Evening his Honour the President gave a public Ball, where there was a handsome Appearance of Gentlemen and Ladies: The Loyal Healths, his Lordship's, Prosperity to MARYLAND, &c. &c. were drank; and the Town was beautifully Illuminated: There was a Bonfire near the Dock, and a Hoghead of Punch given to the Populace.

We hear that the Ship Lucy, Capt. Charles Hargrave, from this Place, for Lisbon, belonging to Philadelphia, was entirely lost, with a Cargo of above 9000 Bushels of Wheat, on the Middle Ground within our Capes, on the 26th of January last, at Night, when the Wind blew excessive hard; but the People were all saved.

We likewise hear of a Schooner being lost up the Bay, on Peol's Island, which, it is said, belonged to New-England, with a considerable Quantity of Wheat on board; but the People saved.

In several Counties of this Province, many People who had not Faith enough to believe in the Almanack, and were great Lovers of Pancakes, observed *Sbrevs Tuesday* on the 6th Instant; but we don't learn that any of them have begun their Lent yet.

The following Paragraph is inserted at the Request of a Gentleman, and may possibly be pleasing to those who understand it, if any such there be:

By fresh Advices from F—d—k C—y, we are informed, That upon Thursday the 15th ult. Mr. Sprightly, *Embassador Extraordinary and Plenipotentiary from his Serene Highness Prince Th—d—b—lt, at the Court of the Sp—k—r; finding the Affairs of his Embassy like to meet with no Success, with*

how his Audience of Leave with her Majesty, but was refused to be seen.—This sudden Change affords Matter of Speculation to all our Politicians; and makes them apprehensive of a violent Rupture from that Quarter; the Consequences of which, they are yet at a Loss to determine.
