...of the People ashore, tow'd the Vessel up to Town,
...and righted her. They then fell to Baling, and
...got the Goods out with all imaginable Dispatch;
...and those that were likely to be damaged by being
...wet, were immediately opened, and the proper Care
...taken to preserve them. It is remarkable, the Car-
...go was so well stowed, that it shifted but very
...little, while the Vessel lay down in the Water.

Capt. Hall is arrived at the Capes from Jamaica;

We hear, from the upper Parts of this County,
...That a poor blind Man, about whose Maintenance
...there was a Dispute betwixt two Townships, went
...out into the Woods, on the 13th Instant, and banged
...himself.

May 3. Thursday last a Fire broke out in a
...House in Front street, supposed to be occasioned by
...some burnt Soot lodging under the Eaves of it from a
...neighbouring Chimney that was foul; but by timely
...Assistance it was extinguished, without doing any

May 10. By Letters from Virginia, dated the
...10th of April, we have the following Advices;
...viz. "That an armed Company of Indians, consist-
...ing of Ottowaras, and Connywagas, head'd by
...one of the Six Nations, and a white Man, met
...with some Pennsylvania Traders, at a Place called
...Kentucky, about 150 Miles from the Shawnee Town,
...on this Side Allegheny River, and took eight Priso-
...ners, five belonging to Mr. Crogan, the other three
...to Mr. Lowry, and with them Goods to the Value
...of upwards of Three Hundred Pounds. Three of
...John Finley's Men were killed by the Little Pick
...Town, and no Account of himself; Michael Tatt's
...People were robbed near the Lakes, by Indians, with
...one Frenchman in Company; three Hundred Ottawa
...was were expected at the Lower Town, and another
...Party of French and Indians were coming down the
...River; the Indians are in such Confusion, that
...there is no knowing who to trust to, and it is thought
...will all go over to the French, as they expect no
...Assistance from the English."

And by Way of New York there is this further
...Intelligence; viz. "That an Army of French and
...Indians, to the Number of 1200, besides the Battoe-
...men, were seen by some of the Six Nation Indians,
...the Middle of April last, in their March, well
...equipped for War, to Cadaracqui, a French Fort
...(and the usual Place of Rendezvous), situate near
...the East End of Lake Ontario, among whom were
...a great many Officers, and young Gentleman. This
...Information was sent by the Chiefs at Onondago,
...who gave it at the same Time as their Opinion,
...that if this Armament pass'd peaceably by their Cas-
...tles, it was certainly design'd against the Ohio In-
...dians, and Twightwees."
