Copy of a Letter, just come to Hand.

Potowmack, Nov. 1, 1753.

Mr. GREEN,

TAKE this Opportunity of informing you of
a most melancholy Affair which happen'd on
the 16th of last Month: One Thomas Cooper,
an Inhabitant on the South Branch of Potow-
mack, happen'd to be from home, and having left
his Children to manage his Affairs during his
Absence; one of the Boys about Eleven Years old,
went from the House about 100 Yards in order
to drive some of the Cattle round the corner of the
Fence, where he was met by seven Indians (who
were seen some Time before sculking about that
Place), who carried him off the Spot, and none
of the rest of the Children could tell what became
of him, only that they heard him Halloo twice:
After his Father came home, he got several of
the Inhabitants to go along with him into the
Woods to try if they could find him, but without
Success, for they have heard no News of him, or
of the Indians, since that Time. The Father of
the Child came here, and has got a Certificate in
order to carry it to the Governor of Virginia, to-
gether with a Piece of Birch Bark, which he
found stuck up in the Notch of a Stick close by the
Path which the Indians had gone, which was
mark'd by the Indians, and which being shewn to
some Indian Traders, they all say that they are
French Indians, being acquainted with their
Marks. I have another Piece of News to ac-
quaint you with; we lately received a Letter,
together with a Belt of Wampum, from one of
the Heads of the Indians called the Half King,
directed to the Governors of Virginia and Penn-
sylvania, intreating to send up immediately and
build two Forts on the River Ohio, as they are
continually expecting a Visit from the French. I
have nothing more particular to add, but that
I am, &c.
G. GARDINER.

Mr. GREEN,

HAVING a personal Concern
in the Deposition, which appear'd in your
Gazette of November 1st, I judg'd it necessary for
me to give you a like Trouble. I had some Reasons
for delaying my Purposes; but they not effecting what
was hoped for, I desire a Place in your next for this
that follows. And am, Your humble Servant,
WILLIAM BROGDEN.

November 24, 1753.

THE Rev. Mr. Brogden made
Oath, on the Holy Evangelists of Almighty
GOD, to the Truth of the following Declaration,
"THAT about two Years ago, Mr. Turnor
" (Woolton was speaking to me of his Son Tommy
" (as I understood Thomas Sprigg Woolton,) telling
" me he had a great Desire of Learning, and that
" he should have the best Education it was in his
" Power to give him: Upon which he took No-
" tice of several Advantages of the Education at
" St. Omers, and mention'd Mr. Basil Waring as
" the Person by whom he had a Knowledge of
" them: At this Distance of Time, I do not
" charge my Memory with the very Words that
" Mr. Woolton then made use of; whether he said
" that Mr. Waring had made this Representation
" to [HIM,] or only, [MR. WARING SAYS,] I
" cannot swear: But I positively aver upon my
" Oath, that Mr. Woolton nam'd Mr. Basil Waring
" to me as the Author of that Information; and
" in such a Manner, as gave me no Reason to
" doubt, that Mr. Waring's Design was to per-
" suade Mr. Woolton to send his Son to St. Omers,
" to be educated, especially as Mr. Woolton seem'd
" inclin'd at that Time to do so."

John Hepburn.
