Bristol, August 25. Last Thursday Morning died, by the Bite of a mad Cat, in the Parish of Wington, Somersetshire, Anne Cover, Wife of John Cover, Blacksmith. She was bit about six Weeks ago, and though big with Child was several Times dip'd in Salt Water, which healed the Wounds in her Thumb, and no Infection appeared till Sunday last. It then began to appear by a prick- ing in the Thumb, Pain of her Arm and Restless- nels. She continued to grow worse and worse till the Time of her Death, though she retained her Senses till the last, and desired every one to keep out of her Way; nor would she suffer any one to wipe the Foam from her Mouth lest it might infect them. She was brought to-bed a Fortnight ago, and the Child continues well. What is very remark- able, she had many Times told of dreaming before she was married she should die mad, and continued in her Illness to mention her Dream.

NEWBERN, (in North Carolina) Aug. 4. Extra of a Letter from a Gentleman in Jontifston County to his Correspondent in Newbern, July 25. 1753.

A Gentleman of your Acquaintance dropt in here last Night for Quarters, who has brought Intelligence, That a Body of Indians in the French Interest are in this Province, and commit Depreda- tions; That there has been a Skirmish in Rowan County, betwixt a detach'd Party of the Enemy and our Friends the Catawbas, in which our Allies signaliz'd themselves by a compleat Victory: He says he came to the Field of Battle about half an Hour after the Action, and on his Departure, met with the Conquerors, who were busy'd in fixing Scalps, &c. after their Fashion, and had likewise dress themselves with the Spoils of the Slain, which consisted of Silver Crucifixes, Beads, Looking Glas- ses, Tomahawks, and other Military Impements of War, which were intirely French, and the Ca- tawbas themselves, upon being ask'd, confirm'd their being so. You may depend on the Truth of this as an absolute Fact.

ANNAPOLIS, December 6.

YESTERDAY, about Ten o'Clock in the Evening, died, at his House in this City, in the 68th Year of his Age, after a long and lingering Ill- nels, the Honourable DANIEL DULANY, Esq; Commissary-General of this Province, one of his Lordship's Council of State, and Recorder of this City. During 50 Years Residence in Maryland, he always maintained an excellent Character, strictly agretable to the Rules of Honour, Justice and In- tegrity. He came into the Country very young, but by the Strength of his natural Parts (which were extraordinary), and his diligent Application, par- ticularly to the Law, he became very eminent in that Profession. He formerly served this County and City many Years, as a Member of the Lower House of Assembly; and possessed several of the great- est Offices of Honour and Trust in the Government, especially that of Attorney-General, and Judge of the Admiralty; and in all his several Stations he acquitted himself with strict Equity and unwearied Diligence. He was an humane, generous and char- itable Gentleman, and a great Promoter of the Public Good, by encouraging all Kinds of Industry, towards which he largely contributed, and was very Instrumental in settling the back Parts of this Province. He was a tender Husband, the best of Fathers, a good Provider and Lover of his Family, a steady Friend, and kind Neighbour, and truly deserved the Love and Esteem of all Mankind. The Loss of such a Gentleman, to his Family in par- ticular, and the Country in general, is greatly to be regretted.

We hear from Pocomoke, on the Eastern Shore, that two or three Weeks ago, a horrid Murder was committed there by two Negro Men, on the Body of one Jones their Overseer, in Accomack County, in Virginia. Jones had ordered the Negroes early in the Morning, to go to their Work; and getting up

soon after, and going with his Shoes slip shod into their Quarter, and finding the Negroes there, he struck one of them for not minding his Orders; and soon after stooping down to buckle his Shoes, one of the Negroes struck him with an Axe on the back of his Head, and knock'd out his Brains; after which they carri'd his Body and burnt it in a Parcel of Brush. Some of his small Bones were afterwards found where the Fire was made, but his Thighs, with the Flesh much parched up, and other Parts, were found buried in different Places. The Negroes are in Accomack Goal, and have confess'd the Fact.

On Wednesday, last Week, John Barrett was exe- cuted at Joppa, for the Murder of his Wife some Time ago, and was afterwards hung in Chains on a Gibbet as high as Haman's Gallows, near Balti- more Town, where he committed the Fact. He ac- knowledg'd the Justice of his Sentence; and laid the Cause of it to his Wife's Incontinency.

One John Goldsmith, who was condemn'd with him, for a Burglary, has obtain'd his Excellency's Pardon, on Condition that he leaves the Province, never to be seen in it again, after ten Days.

Monday Morning last, died on Ken Island, the Rev. Mr. JOHN THORNTON, Rector of Christ's Church Parish, in Queen Anne's County.

And the next Day died, in the same County, the Rev. Mr. JAMES COX, Rector of St. Paul's Parish.

MR. GREEN,

HAVING a personal Concern in the Deposition, which appear'd in your Gazette of November 1st, I judg'd it necessary for me to give you a like Trouble. I bid some Reasons for delaying my Purpose; but they not effecting what was hop'd for, I desire a Place in your next for this that follows. And am, Your humble Servant, WILLIAM BROGDEN.

November 24, 1753.

THE Rev. Mr. Brogden made Oath, on the Holy Evangelis of A'mighty GOD, to the Truth of the following Declaration, "THAT about two Years ago, Mr. Turner Woolton was speaking to me of his Son Tommy (as I understood Thomas Sprigg Woolton,) telling me he had a great Desire of Learning, and that he should have the best Education it was in his Power to give him: Upon which he took Notice of several Advantages of the Education at St. Omers, and mention'd Mr. Basil Waring as the Person by whom he had a Knowledge of them: At this Distance of Time, I do not charge my Memory with the very Words that Mr. Woolton then made use of; whether he said that Mr. Waring had made this Representation to [HIM,] or only, [MR. WARING SAYS,] I cannot swear: But I positively aver upon my Oath, that Mr. Woolton nam'd Mr. Basil Waring to me as the Author of that Information; and in such a Manner, as gave me no Reason to doubt, that Mr. Waring's Design was to per- suade Mr. Woolton to send his Son to St. Omers, to be educated, especially as Mr. Woolton seem'd inclined at that Time to do so."

Sworn before

John Hepburn.
