**October 16.** Private Letters from Holland, in-  
form us of the Determination of an important Law  
Suit, which has been decided in a Manner that was  
never heard of in that Country. A Cause had  
been depending for three Years between the East  
India Company, and one Francis Canters, who  
having been in the Company's Service in India,  
has amassed considerable Riches, and returning to  
Holland, was arrested at Amsterdam by the Di-  
rectors of the Company, who accused him of Mis-  
demeanors, and commenced a Prosecution against  
him. Canters being cast, was strip of his Wealth:  
but, not discouraged by this Reverse of Fortune,  
he petitioned the States General, that they as the  
Sovereigns, who have the Right of judging such  
Cases in the last Resort, would revise the Sentence.  
His Petition was granted; and their High Migh-  
tinesses, in order to pronounce the final Sentence  
agreeable to Justice and the Laws, nominated six  
the Counsellor Pensionaries of the nineteen Towns  
in the Province of Holland to make the Revision.  
These Gentlemen having met in a Body on the 1st  
Inst. at Nine in the Evening, spent the whole  
Night in reading and examining the Papers relating  
to the Cause, and at Five in the Morning drew up  
their Sentence, by which the Accused is acquitted,  
and the Honourable East India Company con-  
demned to pay Costs of Suit.

**Dublin, Sept. 11.** It is computed, that there  
have been 2,200,000 l. sent out of this Country  
since the Year 1739, allowing only 300,000 l.  
a Year for Corn imported thither. And since that  
Time, it is said, that we have lost 420,000 able  
Men, which is only 30,000 each Year, whose In-  
crease by Marriage would have been more than  
double the Number; and allowing the Circulation  
of the Money in Tillage and Improvement of  
Lands to have been spent here, how much richer  
and better cultivated would this unhappy; in-  
fated Island have been, had we sown Corn, and  
eat our own Bread, and have kept our People at  
Home to have consumed the Necessaries of Life,  
and our own Manufactures, instead of sending  
them to the French to fight against us, and to im-  
prove and People their Plantations in America?  
This is a very melancholy Affair, and should be  
thought of seriously by our Legislature.

**NEW-YORK, November 26.**

By Captain Falls of the Ship Prince George, in  
6 Weeks from Cadix, there is Advice, that a net-  
tee was cut out of the Tagus, near Lisbon, in Por-  
tugal, by a Crew of Pirates, who with their Prize  
put to Sea, and off St. Mary's, took Captain He-  
rin, in a Ship belonging to Waterford, bound from  
Cadiz home, and put all the People to Death, and  
in a most barbarous Manner, split the Captain's  
Skull with an Ax, when he was on his Knees beg-  
ging for Mercy: They afterwards took a French  
Ship, and also cruelly murdered every Soul on  
board; but in a short Time after, being in want of  
Water, they were obliged to put into an out Har-  
bour on the Coast of Portugal, where the In-  
habitants suspecting them, seized their Vessel and  
eight of the Pirates, (the rest to the Number of 60  
escaping) and sent her into Cadiz a few Days be-  
fore Capt. Falls sailed.

There is also Advice by Capt. Falls, that an  
Algerine boarded a Brig belonging to Cork in Ire-  
land, and almost cut the Captain to Pieces, for not  
bringing too quick enough, in Obedience to his  
Desire.

Captain McLaughlin from Dublin, informs us,  
that on the Banks of Newfoundland, he was spoke  
with by a French Ship, who demanding several  
Stores and Provisions he could not spare, fired sev-  
eral Shot into him, which went through his Sails;  
the Frenchman calling him English Foster, &c. and  
continued firing at him while he was within Shot.

**PHILADELPHIA, November 22.**

Friday last arrived here Capt. Bolitho from Ma-  
deira, who on the 30th of October, at Night, had  
a violent Gale of Wind at S. E. by E. in Lat. 38  
20, which lasted nine Hours, and had like to have  
drove him ashore on Allsij Shoal.

The same Day the Ship Friendship, Capt. Seix,  
also arriv'd from Holland with Palatine, who like-  
wise met with very stormy Weather, in which one  
of his Hands fell from the Main-top, and was  
thrown'd. A Ship with Palatine left Cowes two  
Days before Captain Seix, bound to Maryland.

Last Sunday departed this Life, at New-Castle,  
the Reverend Mr. **GEORGE ROSS**, the  
Honourable Society's eldest Missionary, in the Se-  
venty fourth Year of his Age, and Forty eighth of  
his Mission. The Innocence and Purity of Man-  
ners which he constantly preserved during the  
Course of a long Life; and a Variety of Oc-  
currences in Church and State, together with a na-  
tural Cheerfulness, and Sweetness of Disposition;  
render'd his old Age perfectly easy to himself, and  
pleasant and entertaining to his Family, Friends,  
and Acquaintance. Sensible of his approaching Dis-  
solution, he took an affectionate, lively, and be-  
coming Leave of the Honourable Society; and had  
the Pleasure, before he died, of receiving their  
Answer, thanking him for his Services to the  
Church of England, to which he was an hearty  
Friend ever since he wrote Man.

By Capt. White from Rhode Island, we are in-  
formed, that the Brig Charles, Capt. Jacob Wat-  
ter; which sail'd from Patapco for London the

soon after she left our Capes, which swept the Deck,  
and wash'd overboard the Mate (one Robinson),  
who was at Helm, and was drowned. She put  
into Rhode Island to rest; but we hear the Cargo  
was no Ways damaged.

Shilling Bill of this Province: A Man who had  
brought a great Number of them into that Place;  
has been detected, and committed to Goal, near a  
Thousand of them having been found in his Chest,  
which he says he brought from Amsterdam, where  
he purchased them of one who makes it his Business  
to counterfeit Paper Currencies. These Counterfeits  
brought in, are all number'd 4452. The Paper on  
which they are printed, has not the Border round,
