

For LONDON directly,

The good Ship HANBURY,
AMES CREAGH,
Commander.

A new Vessel, built at Annapolis, staunch, strong, and well fitted, and now lying in the Ferry Branch of Patapsco River,

WILL load TOBACCO on

Freight, to be consign'd to any of the London Merchants without Exception, on the following Terms: At Five Pounds Sterling per Ton, of 4 Hogheads, it brought to the Ship's Side; or at Six Pounds Sterling per Ton, if fetch'd from any Landing whatever, at the Ship's Charge.

There is no doubt but this Vessel will be early in her Departure, having near one Third of her Cargo provided for her.

For Freight or Passage apply as follows, viz.

- Patrick Creagh, in Annapolis,
- Daniel Chamier, at Elk Ridge Landing,
- John Carnan, in Baltimore Town,
- James Creagh, on board the said Vessel.

The Subscriber, as Owner of the above named Vessel, begs Leave to observe to all the Gentlemen Shippers to Messieurs John Hanbury and Company, that this Vessel was intended for their Service, and that he was at an extraordinary Expence to get her finish'd in Time to have loaded last Fall, but could not succeed; he hopes, nevertheless, that the Goodness of the Vessel, her being the Built of this Country, the Lowness of the Freight (a Consideration to be much regarded now Tobacco is so low) and the Certainty of her being an early Vessel, will induce them, and other Gentlemen Shippers to their Merchants, to give her the Preference of their Favours, which shall be gratefully acknowledged, by

Their very humble and obliged Servant,
Patrick Creagh.

RAN away on the 15th of April

last, from a Mine Bank, belonging to Alexander Lawson and Company, in Anne Arundel County, near Elk Ridge Landing, a Convict Servant Fellow, who came in the Country last Year in Capt. Jamis Dobbins: He is an Englishman, about 6 Feet high, and of a black Complexion. Had on two Cotton Jackets, the under one without Sleeves, a Pair of Cotton Breeches, an Osnabrigs Shirt, a Felt Hat, a white Linnen Cap, a Silk Handkerchief, white Yarn Stockings, and Country made Shoes.

A Negro Fellow belonging to the said Company went away with him who is acquainted with the back Roads, and is supposed to be conducting him that Way: He is about 5 Feet 6 Inches high, pretty aged, and speaks good English. Had on a Colton Jacket and Breeches, an Osnabrigs Shirt, an old Felt Hat, a white Linnen Cap, white Yarn Stockings, and Country made Shoes. They took with them a Drugget Coat of a light Colour, lined with Shalloon, and trimm'd with yellow Metal Buttons.

Whoever apprehends the said two Fellows, and secures them in any Goal, so that the Subscriber may have them again, shall have, if taken within the Province, Two Pistoles Reward for each; and if taken out of the Province, Four Pistoles Reward for each, and reasonable Charges, if brought to

Alexander Lawson.

RAN away on the 5th of March

last, from the Subscriber, living at the Mouth of Patapsco River, a Convict Servant Woman, named Mary Burton, aged 36 Years, has a long Visage, a long sharp Nose, and is of a swarthy Complexion. Had on a Cotton Jacket and Petticoat, an Osnabrigs Shift, a whitish colour'd Cloth Cloak, Yarn Stockings, and Country made shoes.

She had on when she went away an Iron Collar, but it is probable she has got it off.

Whoever takes up the said Servant Woman, and brings her to her Master, shall have Three Pounds Reward, besides what the Law allows, and reasonable Charges, paid by

John Hughes.

RAN away from the Ship Greyhound,

Alexander Stewart, Master, now lying in the Ferry Branch of Patapsco River, the two following Men, viz.

William Lutkin, aged about 18 Years, has a smooth Face, a brown Complexion, and about 5 Feet 4 Inches high: Had on when he went away, a brown cut Wig, blue Jacket, Osnabrigs Frock and Trowsers.

William Jupp, a Convict Servant, a short, well set, dark, ill-looking Fellow, and speaks pretty thick: Had on when he went away, a blue Pea Jacket, a Flaxen colour'd Wig, and Canvas Trowsers.

As they carried sundry other Cloaths with them, they may probably change their Drefs.

Whoever takes up the said Men, and secures them, so as the Subscribers may have them again, (or brings them on board the Greyhound) shall have One Pistole Reward for each, besides what the Law allows.

C. Hammond.
