In a Sloop from Barbados,  
having 42 Days Passage, put  
12th Instant, as did likewise  
New Providence, bound to  
age of 39 Days. Capt. Prist

nier in a Schooner, from Providence, bound to  
Boston, in 27 Days, put into the Hook the 14th;  
as did on the 17th Capt. Cotton, from Jamaica,  
bound to Plymouth, New England, all in very  
great Distress; having met with a violent Gale of  
Wind the 6th Instant; in Lat. 39 Long. 40.

Capt. Nicholls spoke with and relieved a Brig  
from Capé Francois, bound to Rhode Island, Ma  
tateur, Master, just before the Gale, who had been  
out 34 Days, and in great Want of Provisions, ha  
ving liv'd on Wine and Melasses for 15 Days. He  
likewise relieved a Brig from Bristol bound to Vir  
ginia, who had been 10 Days without any Meat  
on board.

The following Quotation from the English Prints,  
dated September 5, is what was made public in  
London, the very Week that the News arrived of  
the Defeat of Major Washington, on the River  
Ohio, viz.

"On this alarming Occasion, it is natural to ob  
serve, that the Designs of the French upon Vir  
ginia were known above six Months ago; and  
consequently a Regiment or two of regular  
Troops might have been sent over last Spring,  
under the Command of some experienced Offi  
cers, to defend that important Colony. But,  
perhaps, the Defence of a ruinous Monopoly (the  
East India Company) so far engrossed some Peo  
ple's Thoughts, that there was then no Room  
left for thinking of an Object infinitely more va  
luable: And who could have thought of the  
sad News brought this Week?"

Capt. Cochran, in 7 Weeks from Cadiz, informs  
us, That a Schooner for Marblehead sail'd the  
Day before him, and that Capt. Pearse, in a Snow  
for the same Place, was to fail the Day after him:  
Whilst he remained at Cadiz, it was currently re  
ported there, that the Sallcemen had the Impu  
dence to protest, that they would, without Distin  
ction, commit Hostilities upon all Nations; and that  
the British Consul at Cadiz, had dispatched an En  
glish Man of War, to know the Truth of such Re  
port. Capt. Cochran sail'd out of the Harbour  
of Cadiz, in Company with a French Man of War,  
that put in there some Days before, and says, that  
in the Office she was joined by four others of the  
same Nation; but where they were destined could  
not learn. On the 12th Instant, in Lat. 29. Long.  
69. Capt. Cochran met with a very violent Gale of  
Wind, in which he lost his Main-top mast; and  
about 2 o'Clock the next Morning ship'd a Sea  
that carried away his Long Boat, Binnacle, Star  
board Rails, and did him considerable other Da  
mage.

Capt. Roome, in a Brig of this Port, bound for  
Lisbon, had the same Gale of Wind, about 11  
Leagues off Sandy Hook, the same Day with Capt.  
Cochran, was hove down on his Beam Ends 6  
different Times, lost all his Lumber and Water off  
his Decks; and his Cargo, chiefly Corn, receiving  
some Damage, he returned here on Wednesday  
last: He sail'd from Sandy Hook in Company  
with six other Top-sail Vessels, who were soon dis  
persed; tho' Capt. Roome saw Capt. Heytham the  
next Day, and we hear Capt. Ketteltas spoke with  
Capt. Quereau about 6 Days ago, all well.

**PHILADELPHIA.**  
October 10. Sunday last arrived here Captain  
Stewart from Jamaica, who met with a violent  
Gale of Wind on the 22d of September, and a few  
Days after met with a Skipladen with Tobacco,  
aim'd full of Water, but no Person on board, and  
all her Rigging, &c. taken away.

October 17. We have Advice, that the Twigh  
twees lately sent some of their Headmen to the Lower  
Savanna Town, on the River Ohio, with the fol  
lowing Message, viz.

Brethren, the Shawanese,  
"You know that the French have invaded our  
Country on all Sides;—Why do you sit so still?  
—Will you be Slaves to the French, and suffer  
them to be Masters of all the Land, and all the  
Game?—Rise up, take the Hatchet, and follow  
our Example.—We kill'd, not long ago, Fifty  
Frenchmen, all Warriors, in one Day.—Five  
other Nations have join'd us; and if you, and your  
Grandfathers, the Delawares, will but stir, the  
French will soon be forced to fly."

To which the Shawanese answer'd.  
Brethren, the Twightwees,  
"We are surpriz'd at your Request. The Six  
United Nations have desir'd us to sit still, and not  
aid the French; and that we must keep our Ears  
and Eyes towards the Six United Nations; and so  
our Grandfathers the Delawares. We desire you  
will spare us, and leave our Town before the  
French bear of you, and come and kill you here, and  
bring us into the War, before the Six United Na  
tions begin it." Upon which, it is said, the Twigh  
twees accordingly left the Shawanna Town much dis  
satisfied.

We have Intelligence from the back Parts, that  
a Party of French Indians have been lately down at  
Wills's Creek, and in the Night Time fired at one of  
the Centries plac'd round the English Camp at that  
Place.

We hear that Tanacbriffan, otherwise called the  
Half King, one of the principal Chiefs of the Indian  
Nations settled on the Ohio, died at Harris's Ferry,  
on Susquehanna, the fourth Instant, after having  
been some Time indisposed.

From Cumberland County there is Advice, that  
some Time last Month an Indian, named Israel, one  
of the Six Nations, kill'd an Indian Trader at the  
House of one Anthony Thomson, near the Foot of the  
Tuscarora Valley, and then made his Escape.

Yesterday came Advice, that the Schooner Bear  
fort, Captain Ferguson, bound to St. Christophers  
from this Port, was drove ashore at Cape Henlopen,  
on Monday Night last, in a violent Gale of Wind.

October 24. In a Letter from Charles Town,  
South Carolina, dated the first Instant, Mention is  
made, that they had just received Advice from a  
Place called The Oberarus, in their Back Settlements,  
that sixteen People had been found dead there, sup  
posed to be murder'd by the French Indians, and that  
several Families besides were missing.

We have Advice from Virginia, that the Garland  
Man of War has brought Ten Thousand Pounds from  
England, to be apply'd towards the Defence of his  
Majesty's Dominions in North America: And that  
she had lost her Main and Mizzen-masts, in a Gale of  
Wind.

On Sunday last the Schooner Argo, Capt. Swains,  
arrived here, from a second Attempt of a Discovery  
of the North West Passage, but without Success.  
The Particulars of the Voyage are not come to hand,  
but may be expected in a future Paper.

It is said the Polly, Capt. Witby, for New York  
from Jamaica, is ashore on Long Island.  
Capt. Taylor, from Lisbon, advises, that three  
English, and four Dutch Vessels, are taken by the  
Sallee Men.

**ANNAPOLIS.**  
On Wednesday last Week, at the Beginning of the  
South East Storm, a Boat with Passengers, attempt  
ing to go across the Mouth of South River, fill'd and  
sunk, by which Accident Anne Hogan, one of the  
Passengers, very big with Child, was drowned:  
Her Husband, and the Rest of the People, held by the  
Boat's Mast till they were reliev'd by another Boat  
which happen'd to be near them. Her Body was  
found last Tuesday on Thomas's Point.

We have a certain and melancholy Account of the  
Loss of the Snow Beaumont, Capt. James Howell,  
who sail'd out of South River, loaded with Tobacco,  
last Month. She foundered soon after she left the  
Capes, and Capt. Howell and all the People perish'd,  
except Three, who were some Time after taken off  
the Wreck, and brought into Virginia. There was  
very little of the Tobacco injured.

The General Assembly of this Province, was on  
Tuesday last dissolved, and Writs are issued for a  
General Election, returnable the 10th of December  
next.

Capt. White, in the Betsey, from South River,  
is safe arrived at Portsmouth.  
His Excellency our Governor is every Day expected  
Home, by Land, from Virginia.
