THE SPEECH of his Excellency HORATIO  
...SHARPE, Esq; Governor and Commander  
...in Chief in and over the Province of Maryland,  
...to the General Assembly of the said Province,  
...on Saturday the 22d of February, 1755.

Gentlemen of the Upper and Lower Houses  
...of Assembly,

AS you have already expressed yourselves suffi-  
...ciently sensible of the fatal Consequences, that  
...must attend the Enemy's remaining Masters of that  
...Part of his Majesty's Dominions to the Westward,  
...on which they have lately presumed to raise Forts,  
...and make Settlements; and have promised that No-  
...thing shall be wanting on your Part, to avert the  
...imminent Danger with which their Vicinity threatens  
...us; it only remains with me now to hope, that you  
...will fall on the most prudent and unexceptionable  
...Measures, to raise as large a Sum as the Circum-  
...stances of this Province will allow; and generously  
...and gratefully express your Duty to the best of Kings,  
...and your Care and Regard for the Lives and For-  
...tunes of Yourselves and Fellow-Subjects. The Advice  
...and Instructions I have received from home, since our  
...last Meeting, might give me Occasion to enlarge on  
...the tender and paternal Care that his Majesty has  
...been most graciously pleas'd to show, for the Security  
...and Welfare of his Subjects in these Parts of his  
...Dominions; but as I am perswaded that I need not  
...attempt to add to the Weight of a Letter, that I  
...have received from one of his Majesty's principal  
...Secretaries of State, which sets in the strongest Light,  
...that, and the several other Motives, which should  
...prompt us to exert ourselves on this Occasion, I will  
...satisfy myself with laying it before you; and with  
...exhorting you to consider how far the Season is al-  
...ready advanced, and to finish the Business for which  
...you are assembled, with the greatest Dispatch.

Gentlemen, I take this Occasion of recommending  
...to you, to regulate the Hire of Waggon and Horfes,  
...in Case the Service should require us, at any Time;  
...to impress either in this Government; which I do  
...not doubt but you will think highly proper and reason-  
...able, when I acquaint you, that a short Experience  
...has shewn, that many of the Inhabitants have rais'd  
...the Price of Carriage since the Beginning of these un-  
...happy Disturbances, in Proportion as they found we  
...stood in Need of their Assistance.

I must also observe to you, that the few Men we  
...have been hitherto oblig'd to quarter in, or march  
...through, this Province, have occasion'd a very ex-  
...travagant Expence, by Reason the Ordinary-Keepers  
...refused to receive any into their Houses, or afford  
...them Entertainment, but at the Rates that have  
...been settled by the Magistrates of the respective Coun-  
...ties for private Travellers and Passengers: These  
...Prices, I doubt not, you will think too great to be  
...paid for private Soldiers; and you will, I hope, re-  
...gulate them by a Bill, in a moderate and reasonable  
...Manner, which will remove all Occasion of Dispute  
...between the Soldiers and the Inhabitants.

Gentlemen of the Lower House,

I shall acquaint you, by a Message, how Part of  
...the 6000l. which you granted some Time since, has  
...been dispos'd of for the Service; and shall be much  
...pleas'd, if my Master of expending it, receives your  
...Approbation.
