from Cumberland County we are in- fent made by the Government of the he Army, consisting of fat Oxen, Sheep, s filled with Necessaries, were got late

to the Camp; but that the new Road now cutting, for a Communication between the General and this Province, was Way-laid by French Indians, in order to cut off any Supply: That on the Fourth Instant, at Night, the Com- missioners and Road Cutters, tho' they had an Escort of Seventy Men, were greatly alarmed, and the next Day Thirty of the People left them, and the Remainder were very uneasy for want of Arms: That Adam Hoops, and Company, who were guarding a Convoy of Provisions, were attacked by a Party of Indians upon the Road, at a Place near Ray's Town, who had killed nine, but Hoops, three of his Men, and three Waggons, made their Escape, as did also thirteen Soldiers, who were sent by Capt. Hog to meet and guard the Provisions: That a Parcel of Flour, consisting of seven Horse Load, was left at a Store beyond Ray's Town, the Men who conveyed it thither being afraid to proceed any further for fear of the Indians: That after the Return of Mr. Hoops, the Inhabitants had held a Meeting at M'Dow- ell's Mill, and on Saturday last thirty Oxen, with Flour and Bread answerable, went off under the Guard of Sixty-four Men, well armed, who it was hoped would meet and take back with them, the thirty Men that had left the Work on the Road, and likewise collect the Waggons and Provisions that had been abandoned.

It is fortunate that the Governor is now at Carlisle, since by his Presence the Inhabitants will be animated, and it is hoped form themselves into Companies. And Arms and Ammunition, of which they are in great Want, will be sent them from this City with the utmost Expedition.

Last Friday Captain Sneed arrived here in about eight Weeks from Oporto, who advises, that when he sailed there were 25 Sail of Algerine Xebecs, full of Men, cruising between Cape St. Vincent and Lisbon; that they had taken Twenty-one Sail of Dutch, Danish and Swedish Vessels; and that their Commodore boarded him. He says further, that it was currently reported at Oporto, that the Spaniards had discharged all the English Ship-builders at the Groynes, and laid up their Ships of War there, Fifteen or Sixteen in Number. And that on his Passage he spoke with a Snow from Glasgow for Virginia, James Ewing Master, about 200 League from our Capes, who had struck a Whale, by which he received some Damage.

On Tuesday last Captain Ingham, of Bermuda, arrived here, and brought with him Captain Daniel Rees, of this Place, with his Passengers, and Sailors; who on the 6th of June left his Vessel off of Henegae, on his Passage home from Jamaica. His Cash, and Part of the Cargo, was saved.

We hear from Reading, in Berks County, that a Number of Indians have lately appeared among the Inhabitants on Schuylkill, about Thirty Miles above that Town; and that as they were all Strangers to them, they were very uneasy at their Visit, tho' at the Time of our Intelligence (the Seventh Instant) they had offered no Incivilities.

ANNAPOLIS, July 24

By a Letter from an Officer in the Army, and from the Information of Messieurs Joseph Hopkins and James Calder, two young Gentlemen Volun- teers, who went from this Province, and who were in the late Action at Monongabela, and are this Day come to Town, we have collected the following Particulars, relating to that melancholy Affair.

On the 9th Instant, his Excellency General BRAD- dock, with 1200 Men, selected out of both the Regiments under his Command, (Col. Dunbar, with Part of his Regiment being behind) crossed twice over the River Monongabela, and at One o'Clock about 3 Quarters of a Mile beyond the River, and 6 Miles on this Side Fort du Quesne, as they were about to ascend a Hill, they were fired upon, from the Top of the Hill, by a great Num- ber of French and Indians, with a very heavy and quick Fire, which made great Slaughter among our Men, and put them in great Confusion, so that the General and all his Officers could not keep them in Order, notwithstanding they try'd every military Expedient, and many Entreaties. The Officers, with some of the Men, fought gallantly for about 3 Hours, when they were forced to re- treat, leaving the Artillery, Waggons, Provisions, and Baggage, to the Enemy, and many Dead and Wounded. His Excellency General BRADDOCK, after having 5 Horses kill'd under him, was at length shot into the Body, and died on the 13th, and was buried a little beyond the Great Meadows, Sir Peter Halkett, and Mr. Secretary Shirley, eldest Son to General Shirley, were both kill'd. Many other Officers fell with them; the Captains Stone, (of Lesly's Regiment at Halifax) Tatton, Getbans, Cholmley, Polson, Peyronce, Spendiloe, and Hamilton, were all kill'd; Lieutenants Halkett, Allen, Sou- maine, Widman, Handfort, Brierton, Hart, and Tal- bot, all kill'd; Ensigns Townsend, Nartloe, Crim- ble, Splendorff, Smith, and Waggoner, all kill'd; and a great many wounded, among whom are Sir John St. Clair, and Mr. Orme Aid de Camp. A- bout 600 of our Men are said to be kill'd in the Action; but what Number of the Enemy we have not yet learn'd. Monocatusbe, our Friend the Half-King, behaved well, but had his Son kill'd. Some of the Remainder of the Army join'd Col. Dunbar next Day, and retreated towards Fort Cum- berland, where we suppose they now are.

Tuesday Morning last his Excellency our Go- vernor sat out from hence for Frederick County, and lodg'd that Night at Col. Taker's (the late Governor Ogle's) Seat, at Bellair. We hear his Excellency intends for Fort Cumberland.

Subscription-Papers having been handed about, to raise a Sum of Money towards defending our Frontier Inhabitants, One Thousand Pounds, in this County only, was subscribed in a few Days.

We have just receiv'd the agreeable News from the Northward, That Col. Monckton has taken St. John's Fort, in the Bay of Fundi, from the French.
